We extend a heartfelt thank you to everyone who contributed to the planning and execution of our Fall Festival. Your generosity—whether through your time, talents, donations, or simply by attending and supporting the event—made this celebration truly a success. To those who helped organize, set up, and run the food and games, your hard work did not go unnoticed. Volunteers like you are the backbone of our Parish community, and your dedication brought joy to so many.

To all who donated in any way—your gifts of time, talent, or treasure were deeply appreciated. Every contribution, large or small, played a part in creating memorable moments for our families and friends.

While it would be impossible to name everyone individually, please know that your efforts are seen and valued. God knows each of you and the love you have shown.

Thank you again for your generosity, enthusiasm, and support. The Fall Festival was a wonderful celebration because of you!

We are excited to announce and extend our heartfelt congratulations to the winners of the 2025 Fall Raffle! Thank you to everyone who participated and helped make this year's event a tremendous success. Your support and enthusiasm made all the difference, and we hope you enjoyed being part of this special event.

Remember your loved one during the month of November. Envelopes are available in the entrance of the church. Envelopes will be placed on the altar during November.

Texas Education Freedom Accounts Allow You to Choose Catholic Schools!

Exciting news for families with school-aged children! Texas is moving closer to launching its new school choice program—now officially named the **Texas Education Freedom Accounts**.

These are *Education Savings Accounts (ESAs)* designed to make a Catholic school education affordable. Throughout November, our Catholic Schools Office is hosting Town Halls and webinars to teach parents all about the program. Visit our diocesan ESA webpage at www.ESACC.org or scan the QR code to learn more and register for an upcoming information session with Superintendent Dr. Hammel and Technology Director Mr. Garcia.

Creating and Maintaining a Safe Environment
