## MASS BOOK

### WE HAVE NO MASSES AVAILABLE AT THIS TIME

- Our Mass Book is filled through the end of June 2026
- We will be opening up the mass book for July through December later in this month. We will announce the date in the bulletin and on our website in advance.
- We can take private mass intentions should you want a mass now. These private masses will be sent out to a retired priest, you will not have a date for the mass but you will receive a card you can give which states that their loved one will be remembered in a mass.
- Please be aware that as per Canon Law, we are only able to take one mass intention per mass.
- We cannot accept lists of mass requests.
- When we open up the book for the remainder of the year we will need to limit how many weekend masses and daily masses we can give to each family in order to accommodate as many families as we are able to.

Holy Family has instituted a new “Parish Memorial Fund” Those enrolled in the fund will be included in a daily Mass every single month! The first daily Mass of each month will be for the intention of those enrolled in the Holy Family Parish Memorial Fund. In lieu of a mass intention, once there has been \$250 in total donations to the Memorial Fund in memory of that person they will be enrolled into this fund.

We appreciate your patience as we make these necessary adjustments to accommodate a variety of our parish needs.
