

MASS BOOK

Our 2025 Mass book is now filled.

We can take private mass intentions should you want a mass in 2025. These private masses will be sent out.

Beginning September 7th we will open our 2026 Mass book. In accordance with Diocesan guidelines and suggestions, and in line with other parishes, we will only schedule Masses from January through June of 2026. This will also allow us flexibility to make changes/additions, should the need to arise. Each family will be allowed 1 weekend Mass and 2 weekday Masses. This policy will

remain in effect until the end of December. After that, we will accommodate other mass requests from families for the January—June months.

The second half of 2026 will be available in the spring. We cannot accept lists of Mass requests.

We appreciate your patience as we make these necessary adjustments to accommodate a variety of our parish needs.

We will continually take private masses to be sent out, in order to accommodate requests.
