

HOLY FAMILY PARISH MEMORIAL FUND

One of the most important things we can do as Catholics is to pray for our loved ones who have died. We do this at Mass with the Mass intention. But we want to do this in a way that prays for our beloved dead perpetually and this cannot always happen as there are not enough Masses in the year to include everyone all the time. Therefore, after consultation with parish leadership, we have decided to launch the Holy Family Parish Memorial Fund. Those enrolled in the fund will be included in a daily Mass every single month! The first daily Mass of each month will be

for the intention of those enrolled in the Holy Family Parish Memorial Fund. Of course, this begs the question of how to enroll in the Memorial Fund. Someone who has died will be enrolled in the Memorial Fund once there has been \$250 in total donations to the Memorial Fund in memory of that person (the parish office will keep track of donations and include new enrollments once the \$250 has been reached). There will be a Memorial Fund board hung in the back of the Church that will list all those enrolled in the

Memorial Fund. We recommend including requests for donations to the Holy Family Parish Memorial Fund in obituaries when announcing memorialization.
