Time	Seminar	Presenter
11:00 AM	Traveling with Pets <i>Vaccinations, campground limitations, finding medical locations, and cool places to take pets.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
Noon	Boondocking — Getting Off the Grid with Solar & Lithium <i>Increasing battery capacity and solar, ways to stretch battery power and water, cool places to go, and whether lithium is worth the cost.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
1:00 PM	RV Buyer's Seminar <i>Learn RV terminology, the different RV classifications, and tips for choosing the floorplan that best fits your needs — including Class A gas vs. diesel, 5th wheel vs. motorized, and what to consider for boondocking or cold-weather RVing.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
2:00 PM	The VDCEdge™: Bringing Enterprise-Grade Networking to the RV Industry <i>Tired of relying on congested campground Wi-Fi or dropping off the grid when you need to stay connected? Join VDC Technologies as we unpack the engineering behind the VDCEdge™ Mobile Network Solution, a system designed to bring true enterprise-grade internet architecture to your home on wheels. Learn how native DC power integration, high-performance Starlink satellite backhauls, and intelligent PepLink cellular failover work seamlessly together to eliminate mobile dead zones.</i>	Vactronia Russell, CEO/Founder — VDC Technologies
3:00 PM	12-Volt Deep Cycle Batteries — Is Lithium Right for Me? <i>Learn the basics of RV batteries and which type will best serve your requirements.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
4:00 PM	Tips to Make Your RV Trip More Enjoyable <i>Get educated on how things work and what accessories to bring — such as properly rated extension cords, dump tank treatment, and water pressure regulators — whether you're a first-timer or a seasoned veteran.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
5:00 PM	Exterior Care & Maintenance <i>Rubber roof material, decals, window seals, AC gasket, tires, and more.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
6:00 PM	RV Air Conditioning — How to Make Your AC Run More Efficiently <i>How a roof air conditioner works, troubleshooting, maintenance, and tips for better cooling efficiency in hot weather.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
7:00 PM	RV Handyman Q&A <i>An open forum to ask questions one-on-one about anything not covered in other seminars, or a session you missed on a previous day. Special guests featured as available, from dealer technicians to product vendors.</i>	Dave Solberg, Managing Editor — RV Lifestyle & Repair
