FUNERALS & CREMATIONS

## Package Price List

This list does not include the prices for certain items that you may ask us to buy for you, such as cemetery services, certified death certificates, hairdressing, newspaper notices, etc.

### PROFESSIONAL SERVICE PACKAGES

To simplify the "General Price List" we have established the following options which reflect traditional types of services most frequently requested. While you are free to arrange services on an itemized basis, these options offered represent a discounted price from the same goods and services if selected from our itemized list. These discounted options are only available to families who purchase the casket & vault from Fausett Mortuary. If an option is selected, no credit for deletions are possible.

\*Includes items from itemized pricing.
