

Dear Friend of Gesu,

As we joyfully approach a remarkable milestone - the 100th Anniversary of Gesu Church and School - we give thanks for a century of *Eucharistic living*, *lifelong learning*, *and generous serving*, *all for the greater glory of God*. Since our founding in 1926, our parish and school have been blessed to serve generations of families, nurture young minds, and strengthen our community through faith in the Jesuit tradition.

To commemorate this momentous occasion, we will host the Century Gala on April 18, 2026, at Landerhaven. This celebration will bring together all members of our parish and school communities to honor our history and ensure that Gesu's mission continues to flourish for the next 100 years.

We invite you to join us as a sponsor of this special event. Your partnership will support the Gesu Endowment, which provides a lasting legacy to Gesu. This permanent fund of assets is invested, allowing the interest earned to be spent on critical needs and creating a stable source of future income.

Proceeds from the event, including your sponsorship, will benefit two areas of the endowment that reflect "Gesu at Home and Gesu on Mission." The inward-looking piece will benefit our teachers. By providing continuing education, licensure, bonuses, and competitive salaries, we are investing in the people who are molding our children for the future. The outward-looking component will support our existing outreach relationships such as Honduras, St Pat's Hunger Center, and the Food Fund. By contributing to the endowment through sponsorship of the gala, you leave a legacy that will strengthen Gesu's next 100 years.

The enclosed information outlines sponsorship levels and benefits. With your support, Gesu can continue to be a beacon of faith, learning, and service for generations to come.

Please partner with us for the Century Gala to celebrate the Gesu families, friends, and faith built over the past 100 years, while also strengthening the foundation for the next century. *Cheers to 100 years!*

With gratitude,

Cynthia & Mark Druckenbrod
