

Falen  
is succes  
als we  
ervan  
leren.

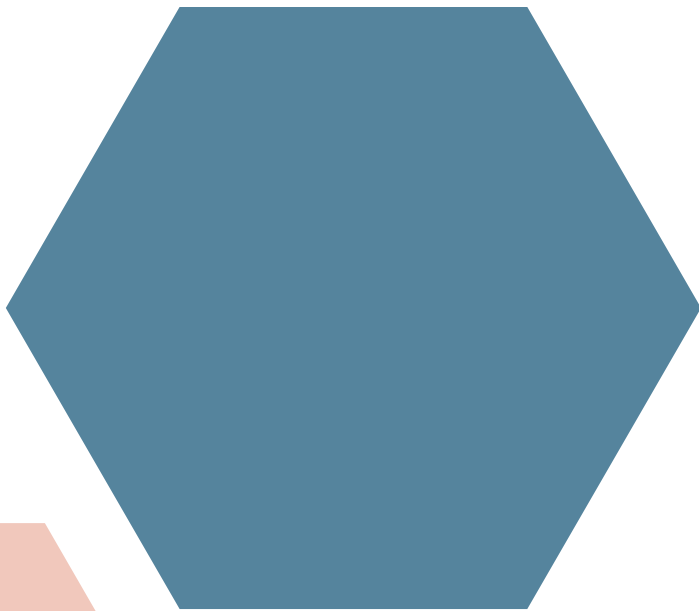

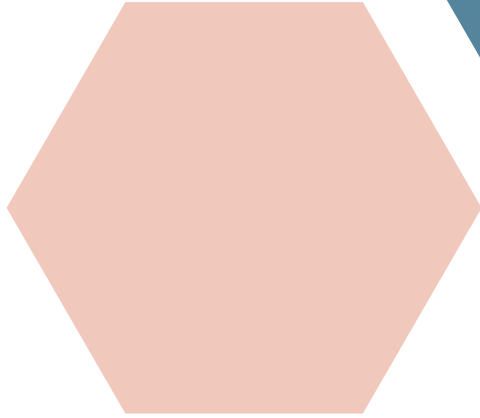

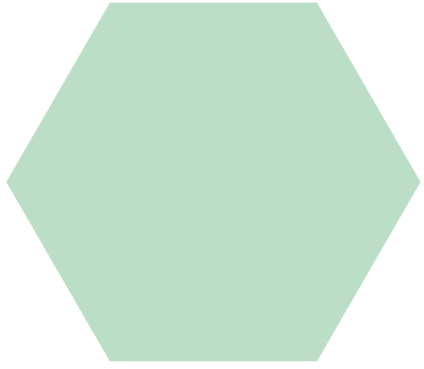

Malcolm Forbes

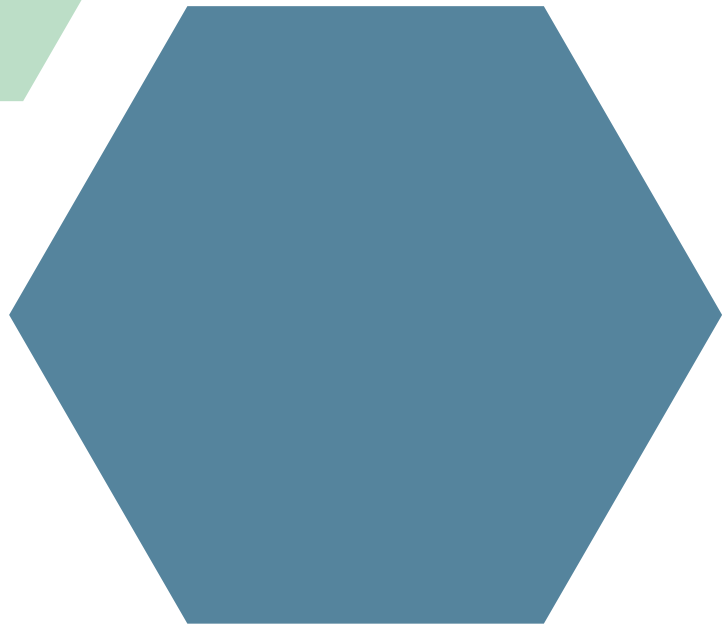

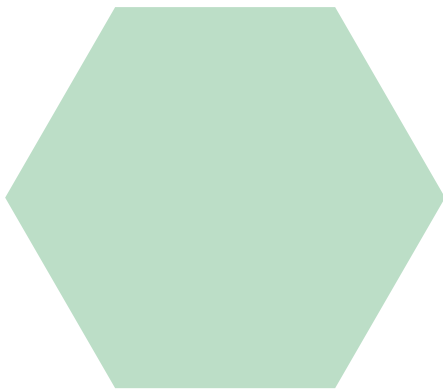

De enige  
wijsheid  
die echt telt  
is weten  
dat je niets  
weet.

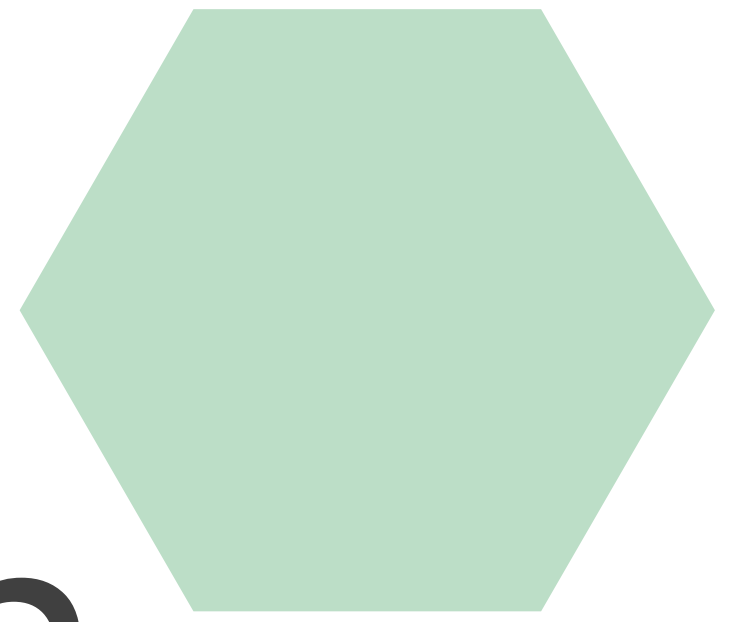

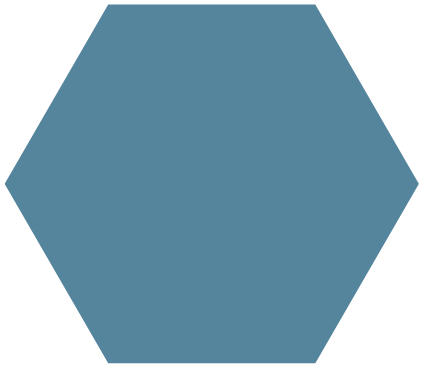

Socrates

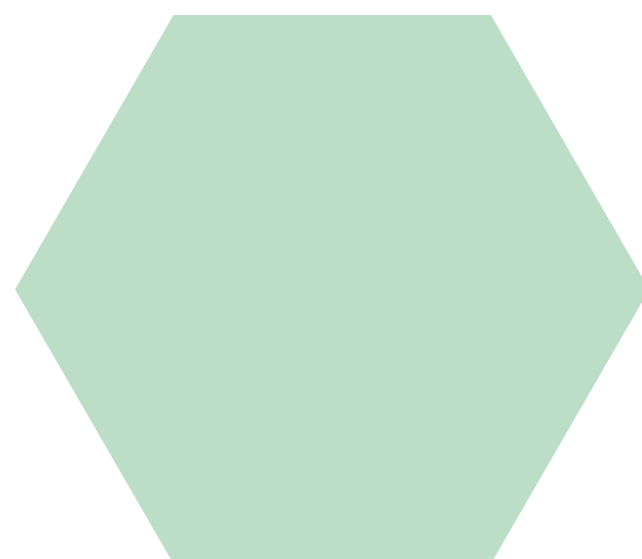

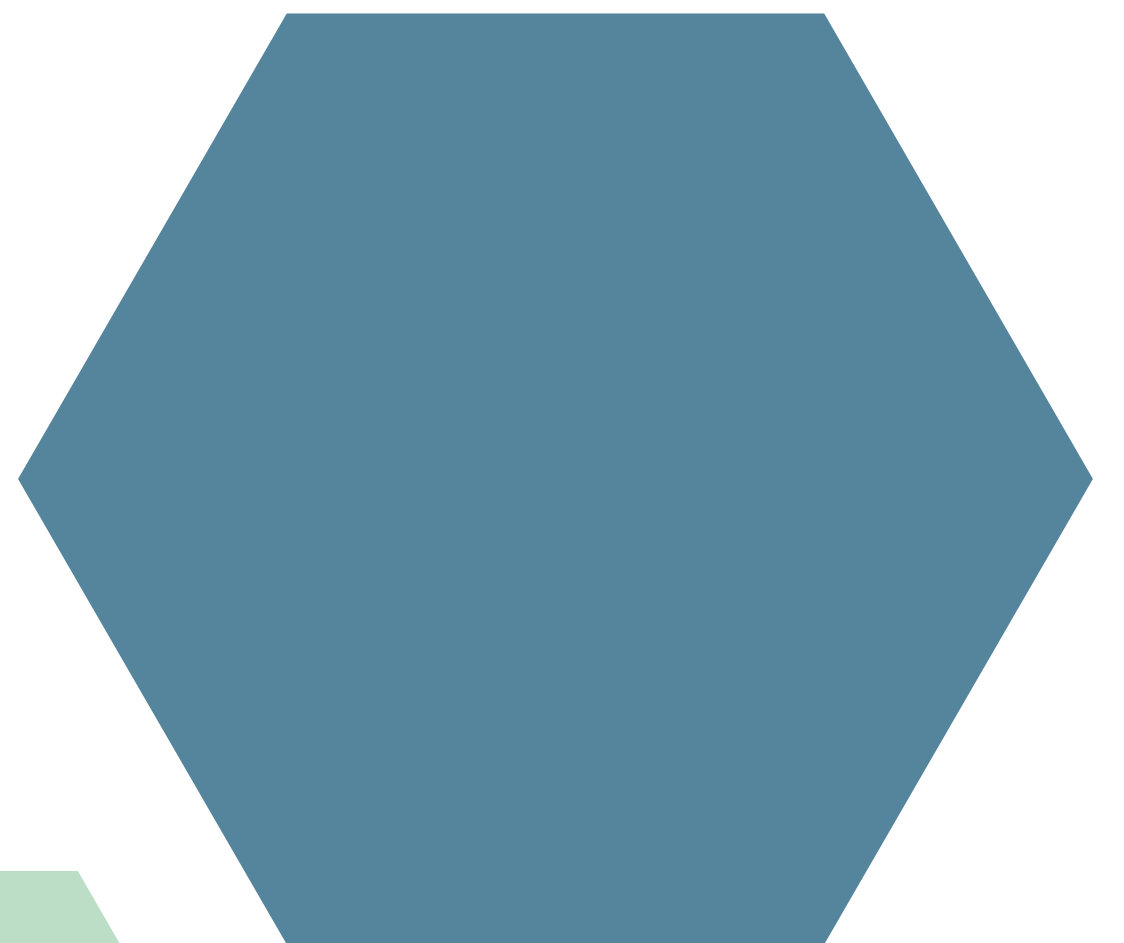

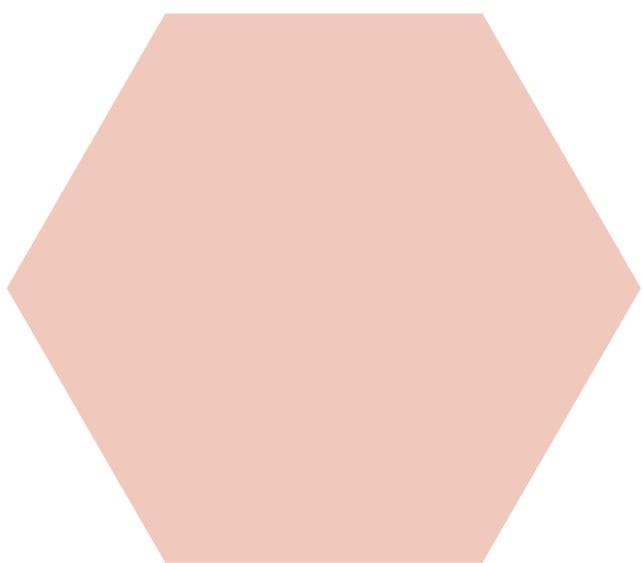

Succes  
is het vermogen  
om keer op keer  
te falen  
zonder daarbij  
je enthousiasme  
te verliezen.

Winston Churchill

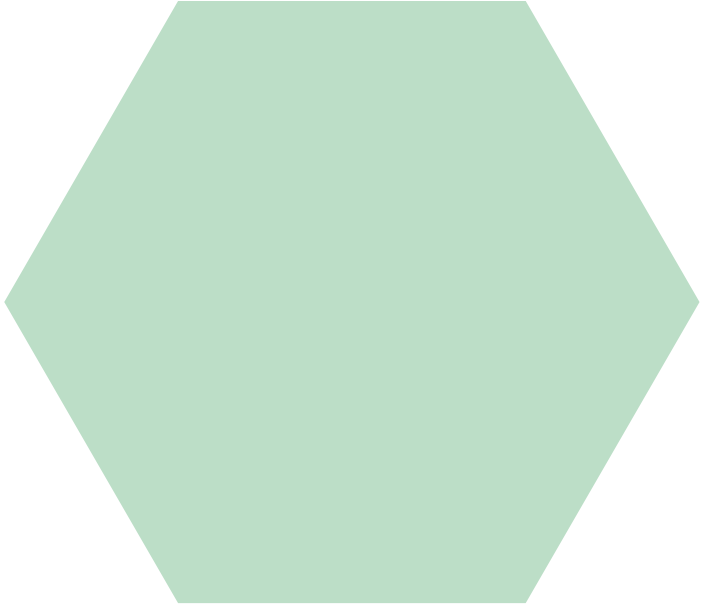

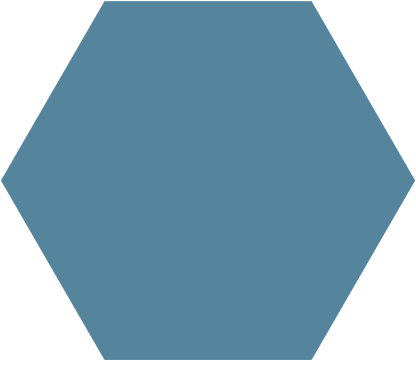

Wat het brein  
kan bedenken,  
kan ook worden  
bereikt.

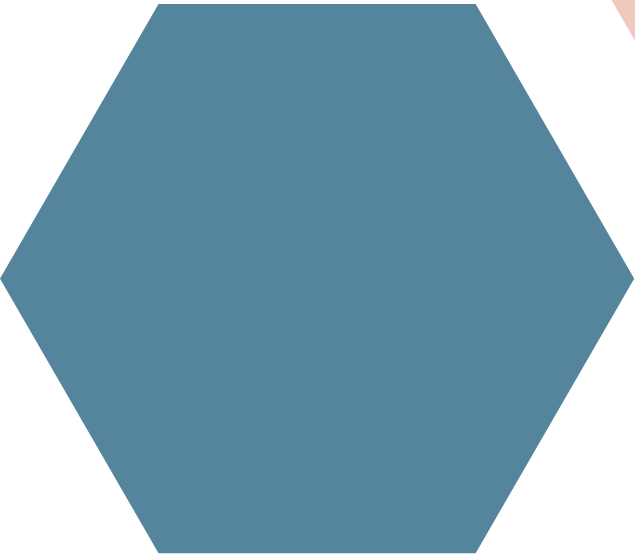

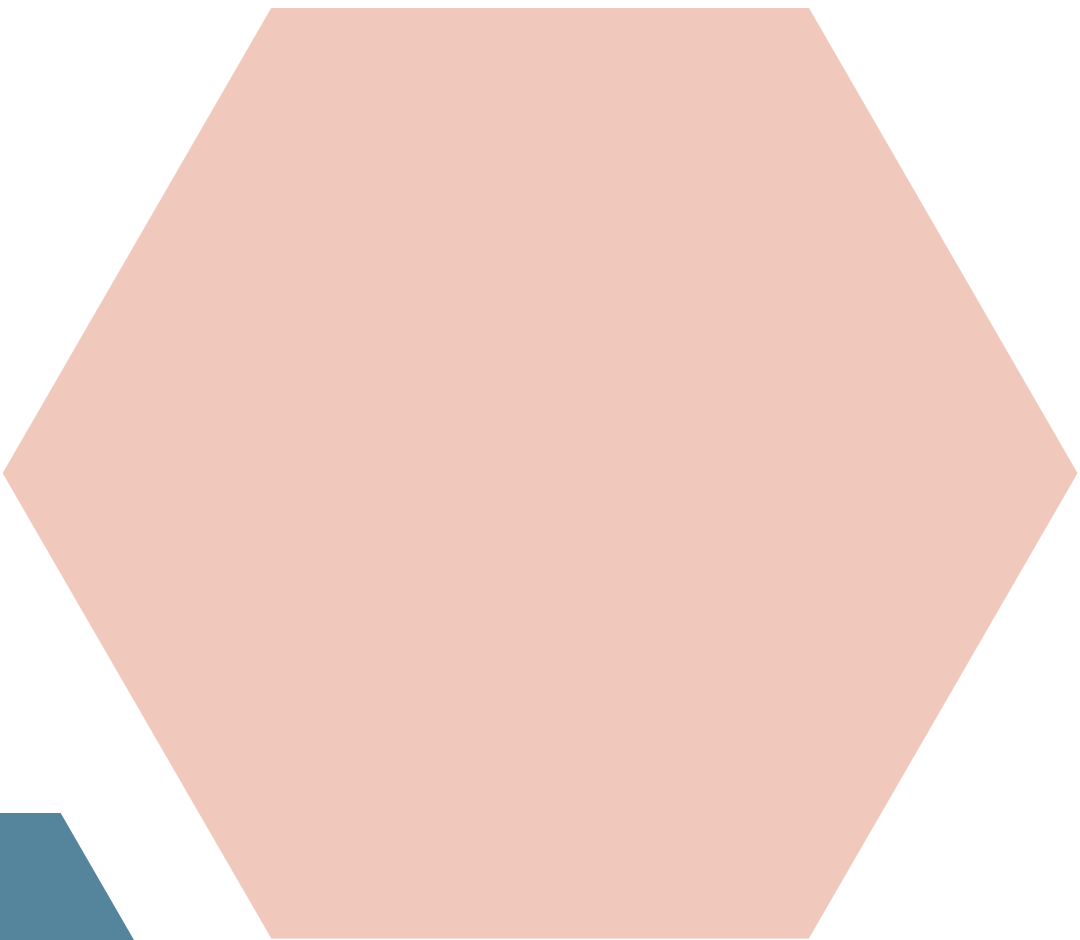

Napoleon Hill

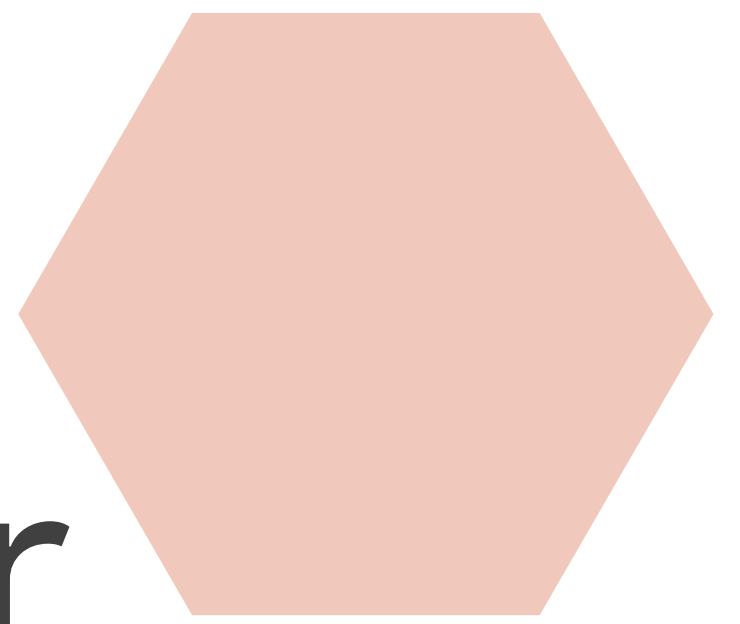

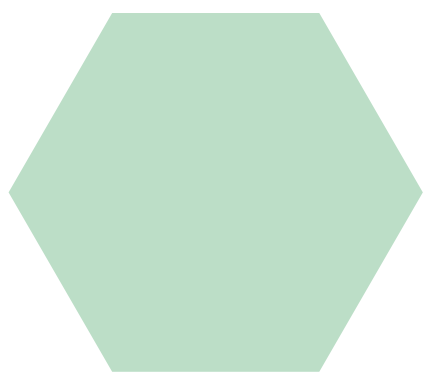

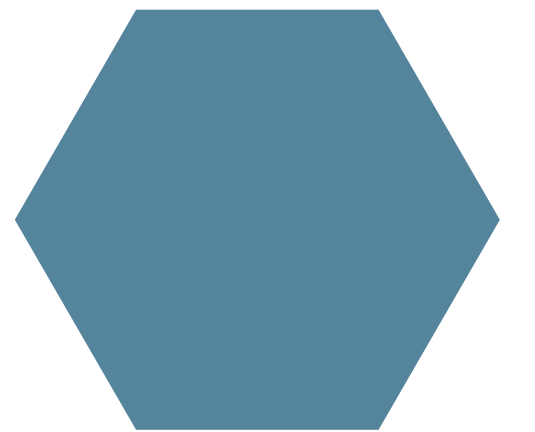

De waarheid  
is nooit precies  
zoals je denkt  
dat hij zou zijn.

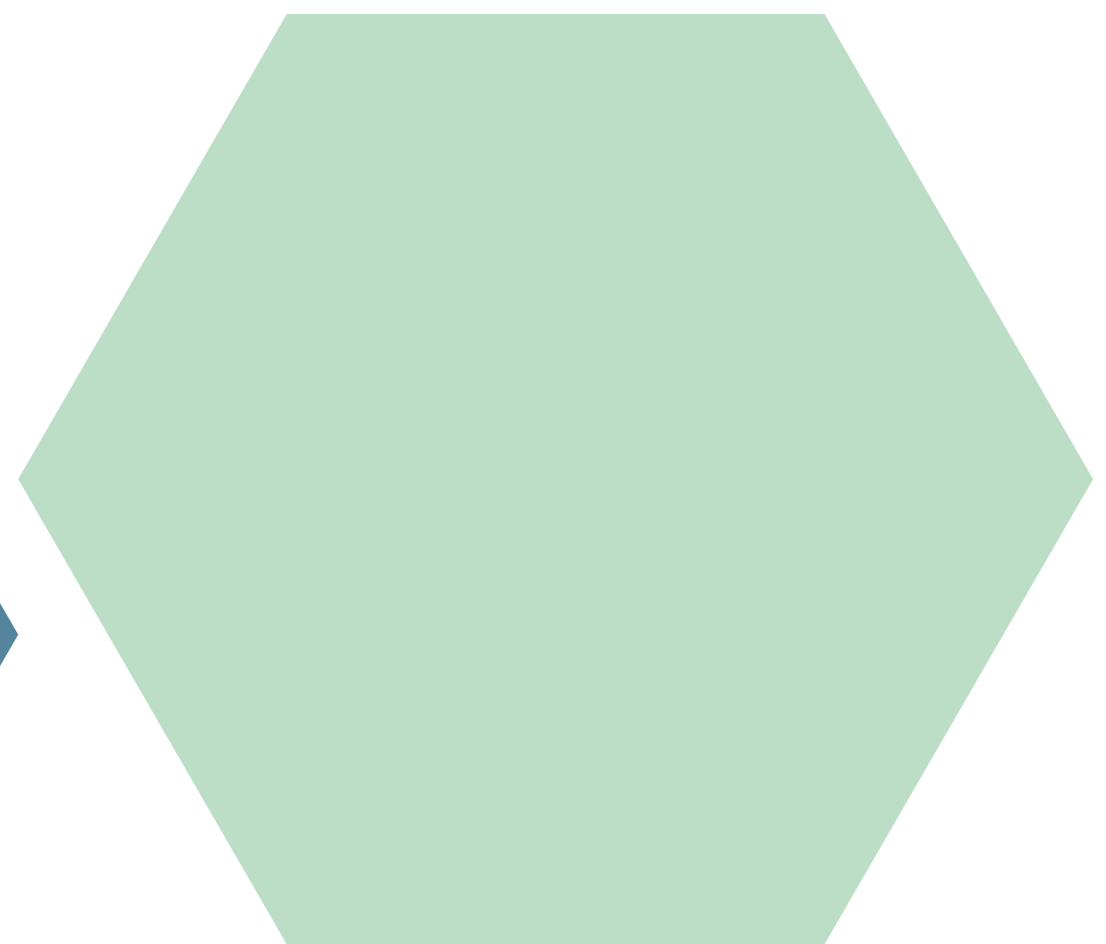

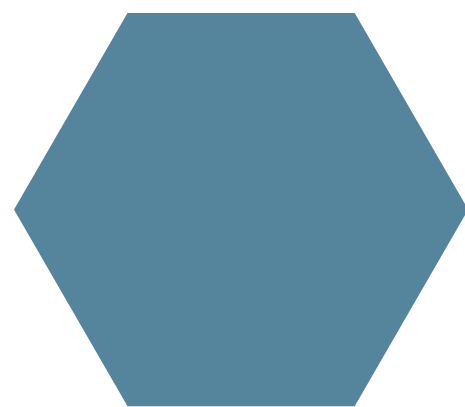

Johan Cruijff

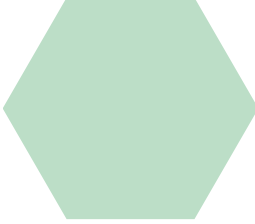

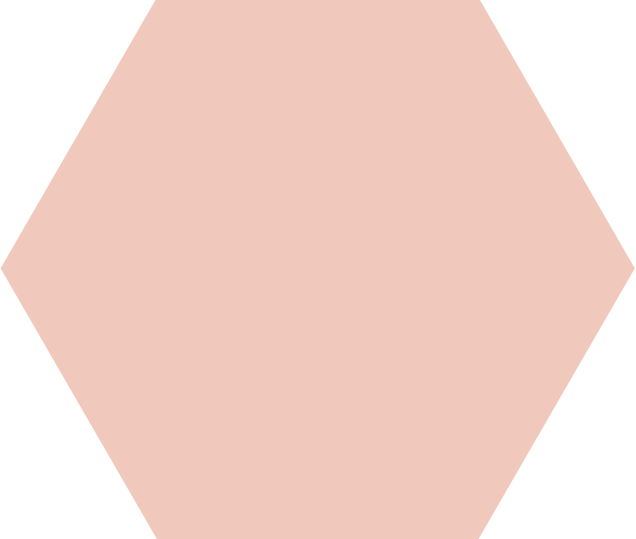

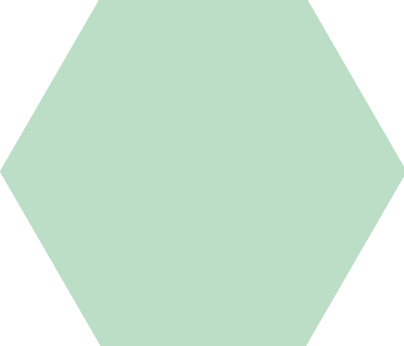

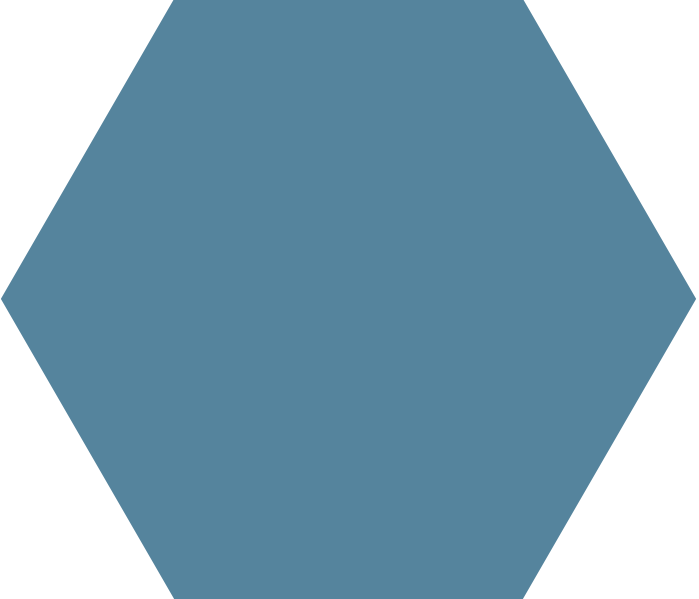

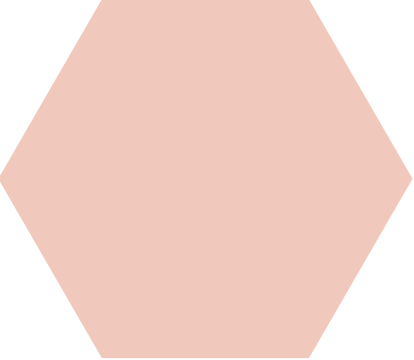

Een dag zonder  
zorgen is eigenlijk  
een slechte dag.

Vanuit je brein  
gezien heb je dan  
geen bal gedaan.  
Zonde.

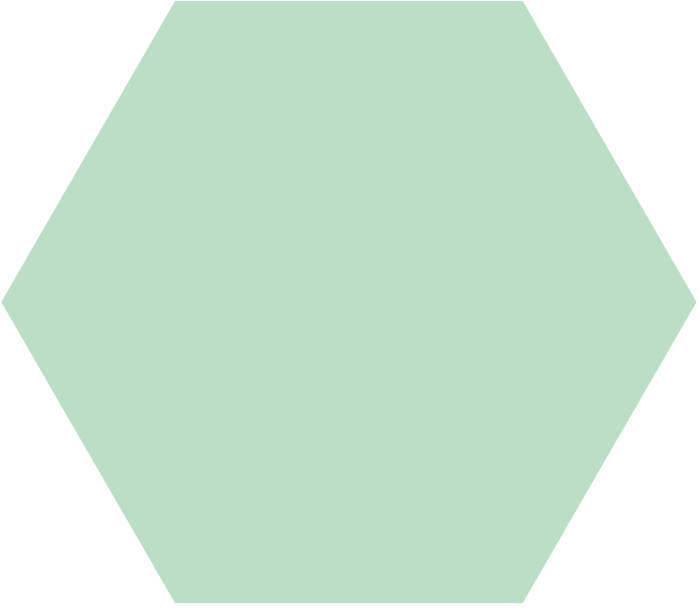

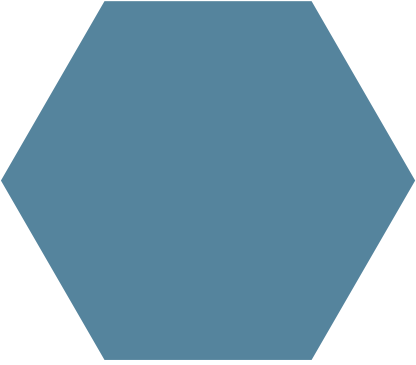

Erik Scherder

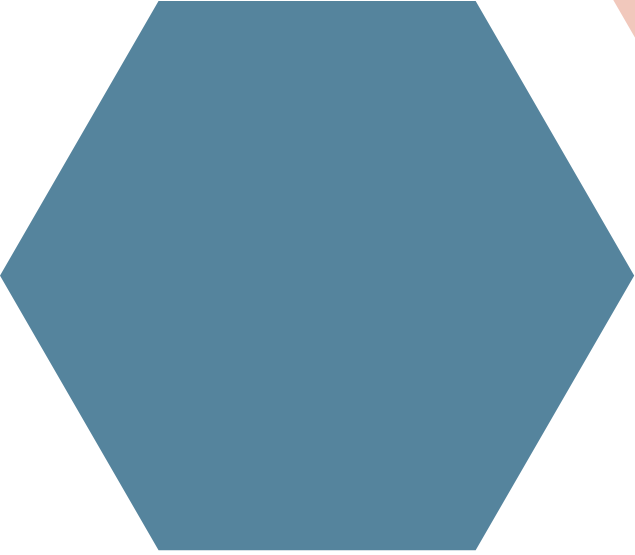

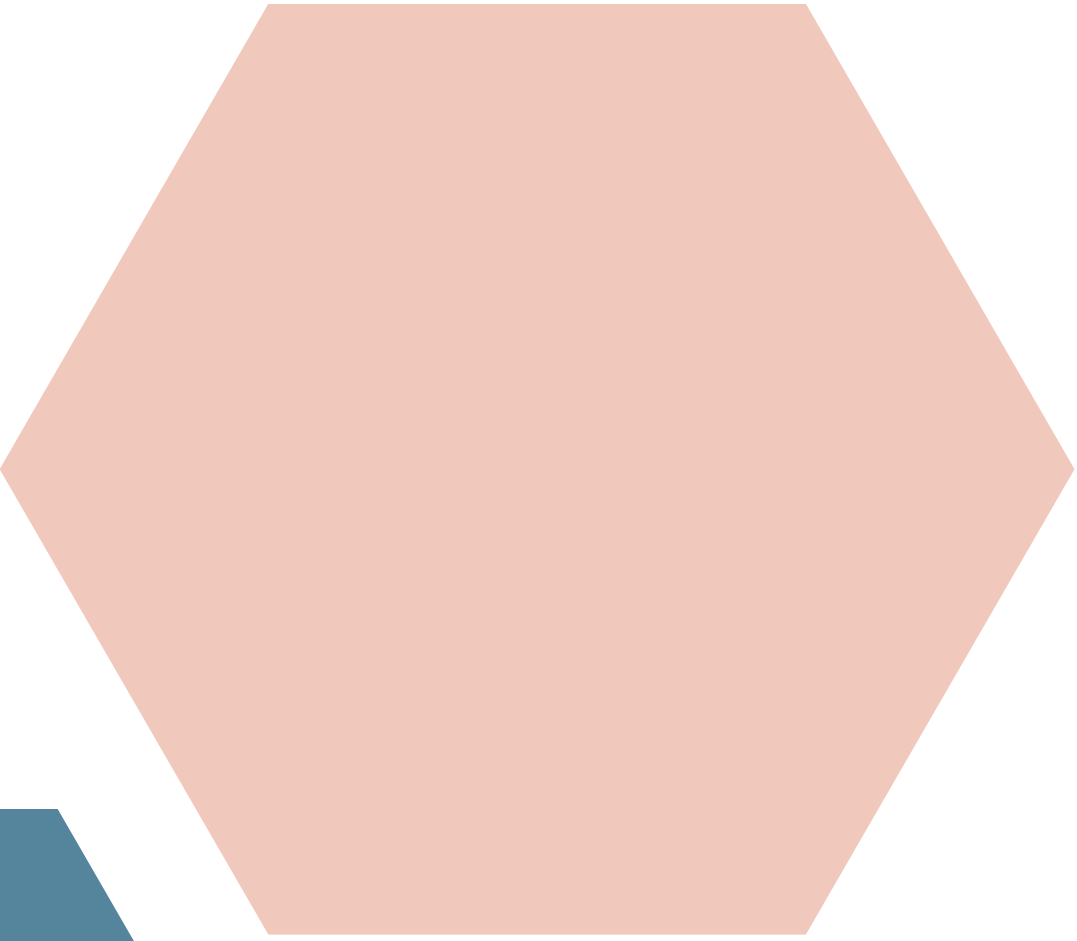

Inbeelding  
is belangrijker  
dan  
kennis.

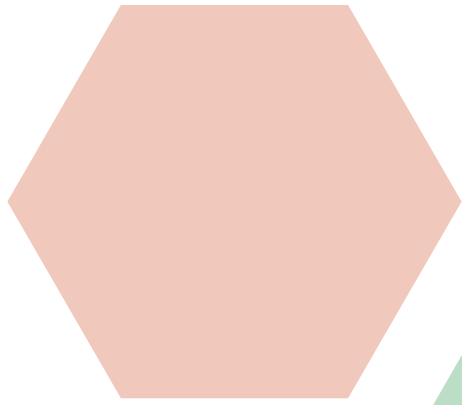

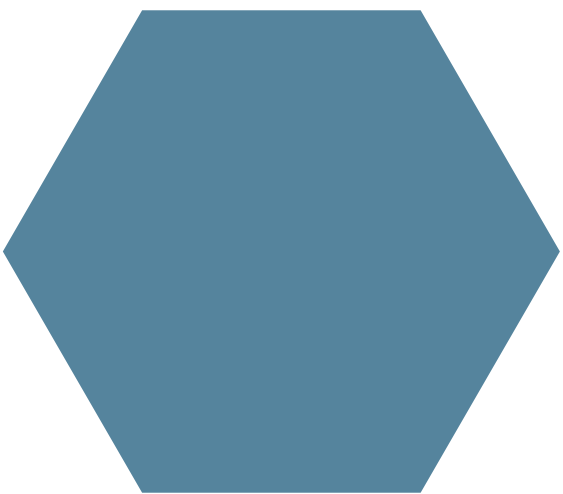

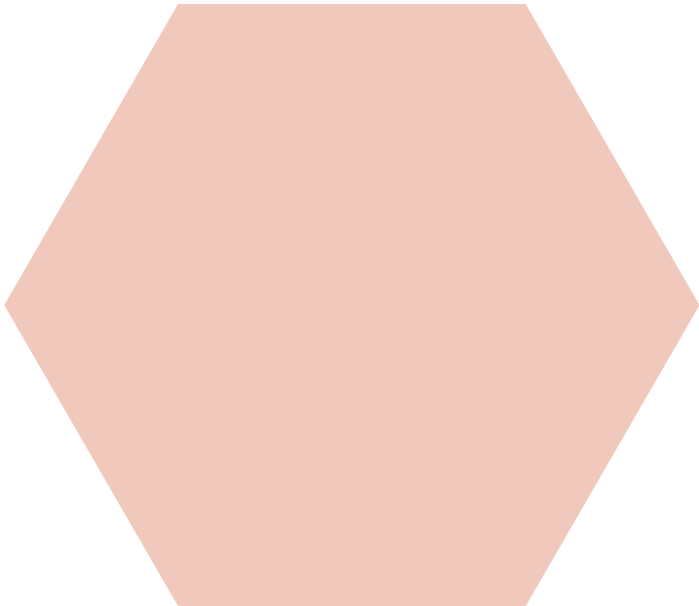

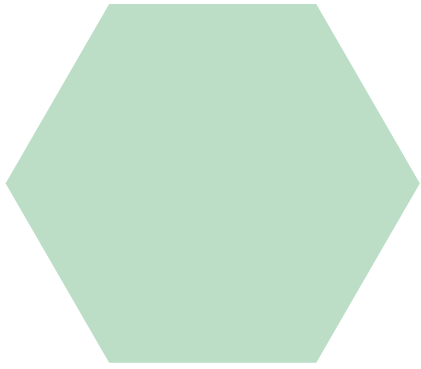

Albert Einstein

Alleen  
dode vissen  
zwemmen  
met de stroom  
mee.

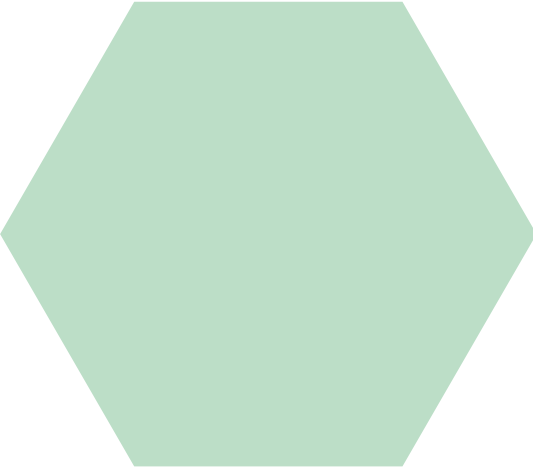

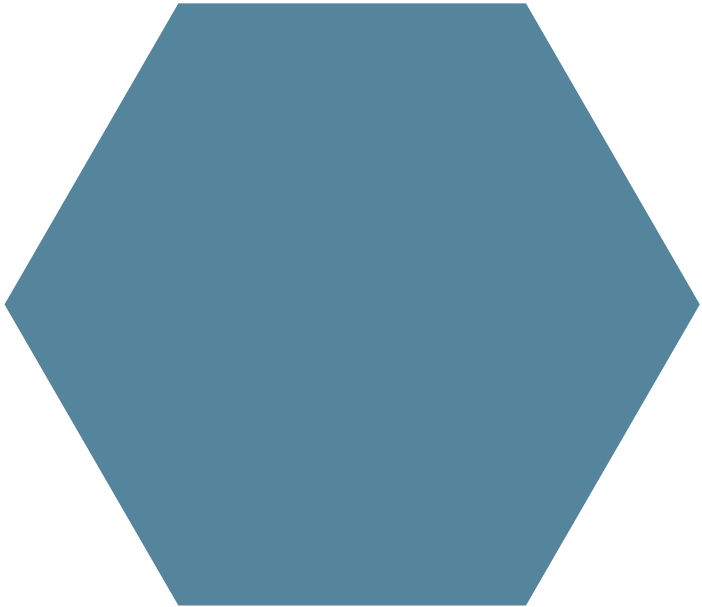

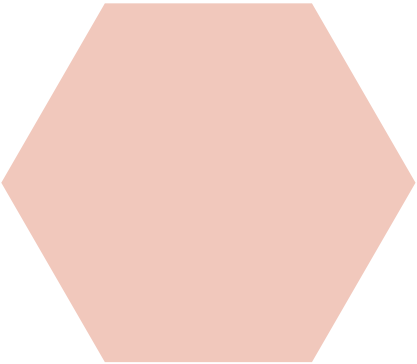

Jack Fish

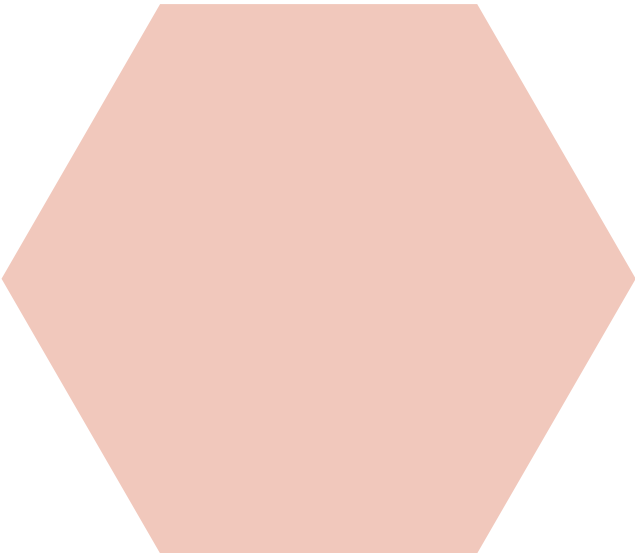

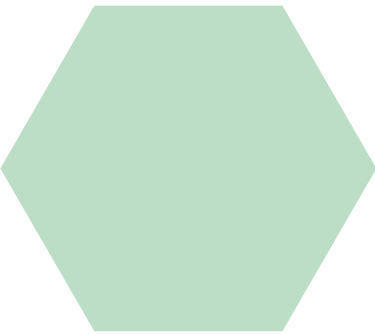

Kennis  
is macht  
maar  
enthousiasme  
brengt  
iets in gang.

Richard Branson

De grootse  
vijand  
van creativiteit  
is  
verstandigheid.

Pablo Picasso
