

FULL-VIEW ALUMINUM

COMMERCIAL SECTIONAL DOORS

Full-View Aluminum shown optional powder coat and plain glass.

COMBINE HIGH-DESIGN & FUNCTION

A clean modern look combined with flexibility, durability, and quality make this door the perfect choice for many applications. Choose from a variety of glass or solid panels to make your building project stand out from the rest.

DOORVISIONS

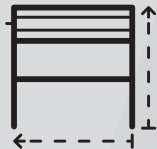

See your door before you buy it! Scan the QR code
or go to doorvisions.chiohd.com

A PERFECT COMPLEMENT FOR YOUR BUILDING OR DESIGN PROJECT.

Full-View doors traditionally have been used where high visibility is important such as fire houses and auto dealerships – but these can be used for many different applications. Combining flexibility in panel sizes with glass options and expansive color options, they will enhance and improve the function of your commercial space.

BEST MARKET USES

Restaurant / Pub • Extend Interior / Outdoor Spaces • Car Wash
Open Concepts • Storefronts • Auto Dealerships • Service Centers
Fire Departments • Modern Residential

KEY COMPONENTS & SPECIFICATIONS

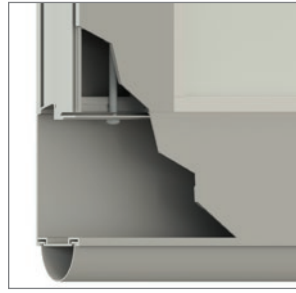

INSULATION

Optional insulated section rails are available providing additional thermal protection for your garage space.

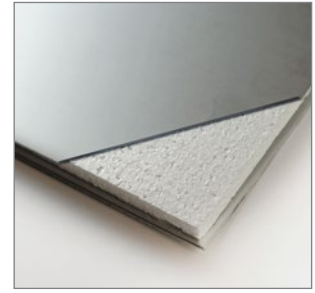

BULB SEAL

Integrated bulb seal eliminates air and water infiltration keeping your interiors protected from the unwanted elements.

SECTION CONSTRUCTION

Rail and stile sections are assembled with through bolts for added strength and longevity.

SECTION PANELS

Polystyrene insulation available for solid sectional panels.

Wind Load & Impact Doors

C.H.I.'s improved rail design has been tested and rated to the rigors of ANSI/DASMA 105 for air infiltration and thermal performance. See our updated specifications for more information.

Sound Transmission

C.H.I. Full-View Aluminum doors have been tested and certified for an STC (sound transmission class) Rating of 27.

Commercial Warranty

Part of owning a C.H.I. garage door is knowing that you can rely on the industry's best warranty. To maintain proper operation, an annual service inspection by a C.H.I. dealer is encouraged.
