PRESS RELEASE

Newsweek ranks Plaza Healthcare as the #1 Nursing Facility in Arizona

September 30, 2023

Newsweek has produced their annual list of Best Nursing Homes 2024 and for the second year in a row, Plaza Healthcare is ranked as the #1 Nursing Home in Arizona.

“At a high level, the recognition was developed as an opportunity to recognize senior care organizations that stand out for their dedication to excellence in resident care and as a chance for Newsweek to engage its global audience with compelling content on a universally relevant topic.”

The rankings are based on five data sources, including performance data, peer recommendations, management of the COVID-19 situation and accreditations from The Joint Commission and Commission on Accreditation of Rehabilitation Facilities. For the first time, resident satisfaction data for nursing homes, based on National Safety Goals from The Joint Commission and Google Scores, has been added to the scoring model.

The ranking is live on the Newsweek website
