This process ensures we have formalized pet and animal-related policy acknowledgments and more accurate records to create greater mutual accountability.

Rental Process

8. Utilities are NOT included in the posted rental rate (unless specifically stated) and are the responsibility of the resident.
9. Once your application has been approved, McKenna Property Management will require a showing disclosure form to be signed and a holding deposit which will be credited towards your security deposit upon move-in. The holding deposit must be paid in certified funds within 24 hours of application approval. If applicant does not fully execute the lease within 15 days by completing lease and paying first month's rent and remaining deposits, McKenna Property Management will retain all collected deposits to cover administrative expenses. You must submit a holding deposit of up to 50% of the security deposit to remove the property from the rental market. The remainder of the security deposit is required before keys are issued. All charges prior to move-in including first month's rent, deposits and lease charge must be paid in certified funds or online.
10. All requests for appliances, cosmetics items, rent negotiations etc. must be submitted at the time of your application via email to RentalsMPM@McKennaTeam.com . All requests are contingent upon owner approval. Applicant is aware that all occupants or co-applicants over the age of 18 must apply separately with \$50.00 non-refundable application charge each. Please list all occupants including children, under the "dependents" section.
11. Holding deposits are non-refundable whether or not approved applicant opts to proceed with lease.
12. McKenna Property Management may hold a property up to TWO WEEKS (maximum) from the date the holding deposit is received.
13. The resident has viewed the property and understands and accepts the property is leased in "AS IS" condition. No further cleaning of any kind, additional repairs or cosmetic improvements will be done. A viewing disclosure form will be signed alongside the lease.
14. Resident Benefit Package: Residents will automatically be enrolled in our Resident Benefit Package. The package will be a monthly cost of \$35 in addition to your rent.

In this package residents will receive Resident Liability Insurance to cover \$100,000 in Resident Liability through Great American Homes. You can opt-out of using Great American Homes as your provider, but you must provide proof of coverage to McKenna Property Management. Providing proof of a different provider will not deduct any of the costs of the resident benefit package. Resident Liability is NOT Renters Insurance. To obtain renters insurance please contact a third-party agency.
15. Residents will also receive AC filters delivered every two months right to their door through our Second Nature Filter Program. You have two days to replace the old filters with the new delivered

ones. This will help the efficiency of the HVAC system in your home and will help avoid major HVAC issues that can cost thousands of dollars and days without A/C. You cannot opt-out of the Second Nature Filter Program.

There are many other benefits of this package that you may find at:
