

She Wants To. She Can. She Will.

WANTO: SKILL UP GROUP

Connecting Manufacturers With
Women Ready To Build Their
Careers In Nontraditional
Occupations.

Skill Up graduates bring 175-245 hours of pre-apprenticeship credit alongside hands-on technical training. They arrive equipped with industry fundamentals, safety awareness, and the practical knowledge needed to minimize onboarding time and fill critical workforce gaps from day one

- **175-245 Pre-Apprenticeship Hours Completed**
- **Hands-on Shop & Industry Fundamentals**
- **OSHA-10 & Lean Six Sigma Certified (based on program specifications)**

**YOUR NEXT GREAT EMPLOYEE
COULD BE WAITING TO MEET YOU**

GROUP GOAL: Create a community where manufacturers and apprentices can meet, build relationships, share knowledge, and open doors to meaningful careers.

READY FOR HIRE

Bringing 175-245 Hours of Apprenticeship Credits

01

MEET

Manufacturers can connect with Skill-Up trainees in the program and at networking and industry events.

02

Support & Mentor

Offer guidance, encouragement, and real-world insight every step of the way.

03

HIRE PROGRAM GRADUATES

Meet with potential new hires in a low pressure situation.
