Instructions for Preparing Nomination Forms

What is an elector? An elector is a qualified individual who lives in the jurisdiction (in this case: Kenosha County) that the candidate seeks to represent. Only an elector may sign the nomination papers. Each signer must also legibly print their name. Each elector must provide their residential address (no P.O. Box addresses), including any street, fire or rural route number, box number (if rural route) and street or road name and municipality of residence. A post office box number alone does not show where the elector actually resides. The name of the Municipality of Residence must be listed for each signing elector and must clearly identify the town, village or city where the elector's voting residence is located. The date the elector signed the nomination paper, including month, day and year, must be indicated. Ditto marks that follow correct and complete address or date information are acceptable. The circulator may add any missing or illegible address or date information before the papers are filed with the filing officer.

Guidance for Circulators

- **You must personally present the nomination paper to each signer.**
- **The Circulator must be a qualified elector of Wisconsin.**
- **Nomination papers may NOT be left unattended on counters or posted on bulletin boards.**
