Greetings!

For more than 35 years, Zohar Productions has designed and produced themed events for clients across the United States. My Moroccan collection grew from that work and includes tents, rugs, lanterns, low tables, poufs, and other distinctive pieces.

I have since pivoted my event work to chaplain-led resiliency retreats for military families. I am now making the Moroccan collection available to fellow event planners as rentals. Whether you need a focal-point tent, an intimate lounge, or a larger gathering environment, the pieces can be combined to suit your event.

Our past projects include the US Open Arabian Horse Show sponsored by the Sheikh of Qatar, The Arizona Opera Ball, the Rockefeller Millennium Ball, a Warner Bros. international gala, a Disney movie premiere, and Vanessa Williams' wedding. The photographs and testimonials that follow reflect the quality and care behind this work.
