St. John Evangelist Homeless Shelter, meals we cooked on December 19<sup>th</sup> and January 16<sup>th</sup>. The January 16 our parish St. John's the Baptist and St. Sebastian parish members donated the food. The Christian Women donated the scallop potatoes and cooked both meals. On January 16 was Margaret Cismoski funeral the family donated food they did not want to take to the St. John Evangelist Homeless Shelter. We are blessed to have such wonderful family in our parish.

We purchased Fr. Dass clothing \$264.85

Received money from Jerry Biese funeral \$285.00, Margaret Cismoski funeral \$260.00 and Jean Birling funeral \$285.00. Jean Birling family donated food so we called our local St. Vincent de Paul from our parish and they took food to the needy. This is for local families in need and any denomination. If it wasn't for our parish family. We could not do what we do.

Coming up we will be cooking St. John Evangelist Homeless Shelter meal in February and March. NEW Community Homeless Shelter meals will be Saturday March 29 and September 27 for lunch. The dates are on Saturdays.

We will be donating the chicken and mixed vegetables for Fat Sunday.

We plan on doing a parish breakfast on a Sunday after Easter. No date has been set.
