

St. John Christian Women

Sunday, June 2, 2024

Green Bay Diocesan Council of Catholic Women Vicariate 2, the breakfast, guest speaker, Fr. Matt Simonar from Nativity Parish, 50/50 drawing and luncheon went very well. Next meeting will be in the fall at a parish in Green Bay. When I get the information, I will put it in the bulletin.

St. John's Christian Women breakfast on Sunday, April 28 went very well. Ran out of most of the food. We are lucky to have women in our parish that will help and donate food etc. to make it a success. All we do is call some women and they will all do everything to make it happen.

NEW Community Homeless Shelter meal is Saturday, September 7th for lunch. We will be asking St. John's and St. Sebastian to help donate the food for us to cook. The sheets will be in the hallway of church probably beginning of August.
