

ACCOUNTING CADETSHIP AT WRIGHT PARTNERS

What can Wright Partners offer me?

If you are a Year 12 student approaching the completion of the HSC and interested in undertaking a Business or Commerce degree at University, we can offer you the opportunity to
Earn while you learn!

An accounting cadetship with Wright Partners will give you a valuable opportunity to earn a part-time salary while studying a Business or Commerce degree at University.

You will be able to combine academic learning with hands-on experience and you will be mentored and encouraged by experienced professionals. This will give you a significant advantage over other students when it comes time to graduate.

The benefits an Accounting Cadetship at Wright Partners are:

- Paid a salary even while studying
- Exam and Graduation leave
- Textbook allowance of \$100 per subject
- Mentors
- Career development with a future career path
- Flexibility with work hours and time-in-lieu

How does it work?

After completing the HSC, work 5 days a week for us until Uni commences.

For Semester 1, study full time at Uni completing 4 subjects with no requirement to work with us while Uni is in session.

For Semester 2, study externally from Uni completing 2 subjects while working 4 days per week for us.

Then work 5 days a week for us, during the mid-year and mid-semester breaks and from the end of Semester 2 until Uni resumes

By completing Uni this way, it will take 4 years and gives you a guaranteed salary each fortnight.

You will also earn 13.5 days of annual leave to take each year.

It will be the responsibility of the cadet for all other costs associated with their academic degree, including HELP, stationery etc.

While undertaking a cadetship, you will also be offered the opportunity to attend professional training and in-house training to improve your skills and development.

When will my cadetship commence?

Once you have finished your HSC and cleared your head, we are ready for you. We estimate this will be around early December.

When can I apply?

You can apply now. Please complete an application letter outlining why a career in Accounting and why a Wright Partners cadetship appeals to you.

Then forward your application letter and resume via email to Erin admin@wrightpartners.com.au
