

CC United BoD Meeting Minutes – May 3, 2026

Attendees: Austin, CJ, Pete, Erik, Alyssa, Heather

Not in Attendance: Dave, Suzannah

Field & Facility Improvements

- Ongoing collaboration with local cities to improve field conditions
- Short-term fixes implemented; exploring longer-term, more consistent solutions
- Evaluating options for professional maintenance support

Spring Rec Program

- Continued strong growth in participation year-over-year
- Operational updates have improved:
 - Parking and access
 - Field flow and safety
 - Overall family experience

Community Engagement & Fundraising

- Strong turnout and engagement at recent community events
- Launching a new digital fundraiser to:
 - Increase accessibility
 - Simplify participation
 - Expand fundraising reach

Winter Space & Capacity

- Increased demand for winter training space due to club growth
- Near-term adjustments being implemented to optimize existing facilities
- Beginning exploration of long-term facility solutions

Referee Program

- Reviewing current referee model and partnerships
- Evaluating options to ensure:
 - Quality of experience
 - Long-term sustainability
 - Cost effectiveness

Tryouts & Player Development

- Enhancements to upcoming tryouts:

- Improved organization and use of space
- Better alignment with ongoing player evaluations
- Continued focus on:
 - Consistency in player development
 - Clear and transparent processes

Age Group Transition

- Planning underway for upcoming transition
- Focus areas:
 - Competitive balance across teams
 - Positive player and family experience
 - Flexibility as groups adjust

Looking Ahead

- Continued work on facility and space planning
- Ongoing refinement of player development and evaluation processes
- Exploration of operational and partnership improvements
- Planning for a **fall “State of the Club” virtual session** with updates and Q&A
