CCU Monthly Board Meeting — October 4, 2026

- **Attendance**
    - **Present:** Austin Boulay, Heather Van Blyenburgh, CJ Bonifas, Alyssa Nyen, Andy Woodcock
    - **Absent:** Pete Olson, Dave Heldman, Erik Tone
- **Paisley Cup**
    - Reviewed this year's Paisley Cup, including overall participation, operations, weather impacts, and feedback from the event.
    - Discussed opportunities to continue improving the tournament experience for players, families, coaches, referees, volunteers, and staff.
    - Began planning considerations for next year's event.
- **Coaching & Player Development**
    - Discussed continued investment in coach education and development.
    - Reviewed opportunities to strengthen coaching structure and consistency across the club.
    - Continued discussion around long-term development priorities for players and coaches.
- **Recreational Programming**
    - Reviewed feedback from recent recreational programming.
    - Discussed opportunities to improve the experience for players, families, and coaches, including team identification and game-day organization.
    - Staff will continue evaluating options ahead of upcoming seasons.
- **Club Events & Fundraising**
    - Began planning for the club's 2027 fundraising event.
    - Discussed ways to increase participation and make the event engaging for current CCU families, alumni, and the broader club community.
- **Communications & Social Media**

    - Discussed opportunities to strengthen CCU's social media presence and better highlight teams, players, coaches, events, and club activities.
    - Also discussed ways to provide families with regular, high-level updates about club priorities and activities.

- **Board Recruitment**
    - Reviewed interest received from prospective new board members.
    - The board plans to begin conversations with prospective candidates and conduct interviews in November.
    - Discussed continuing to build a board that represents a broad range of CCU programs, families, experiences, and perspectives.
- **Governance & Policies**
    - Continued review of several internal club policies and operating practices.
    - Updates will be finalized following additional review with appropriate club staff.
- **Long-Term Club Planning**
    - Continued discussion around long-term priorities and how the board can better measure progress against the club's strategic goals.
    - Discussed future facility and field needs and the long-term goal of creating a strong home base for the CCU community.
    - These topics will continue to be explored at future board meetings.
