ABOUT MEAL PACKING EVENTS

We partner with businesses, churches, and schools around North America to organize and host meal packing events so we can provide food for children at nearly 500 schools and orphanages across Haiti.

When you fill a gym, church hall, or sports arena with busy tables, the output is jaw-dropping and life-saving.

Every event is a lively, community-building experience. Volunteer side-by-side with friends, family, coworkers, or other like-minded people. We welcome volunteers of all ages and backgrounds.

The responsibility of the host is simple—just raise funds, recruit volunteers, and secure a location for the event. Mission of Hope, in partnership with several meal packing organizations, takes care of the rest! We procure bulk food, transport food to your event, provide all packaging equipment, and secure the shipping and delivery to Haiti. We also send a Mission of Hope team to help facilitate your event. We look forward to talking with you about this unique community opportunity!
