A VISION OF HOPE

As an organization following Jesus Christ, Mission of Hope exists to bring life transformation to every man, woman, and child.

One Mission is a strategic plan to build a brighter future for men, women, and children in Haiti and the Dominican Republic through food security, education, and community engagement.

Haiti and the Dominican Republic are two beautiful countries sharing an island home to nearly 22 million people. Yet beneath that beauty lies a divided island with a history marked by pain and hopelessness, now facing the harsh realities of a hunger crisis, political turmoil, and escalating gang violence.

The opportunity to have a monumental impact for the Kingdom is now.

Our **One Mission?** We see a brighter future for every man, woman, and child in Haiti and the Dominican Republic.

- A future where every child is **nourished**, not just in body, but in spirit.
- A place where minds are nurtured and given a Christ-centered **education**.
- **Communities** where churches are healthy and thriving.

EDUCATION

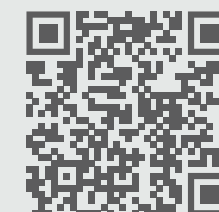

HOPE FOR TOMORROW

We believe that a Christ-centered education is one of the most powerful tools for change. When children are given the opportunity to learn and grow, they don't just change their own futures—they become leaders who transform their families, communities, and, ultimately, their country.

Right now, generations are missing out on this opportunity and lack access and resources to reach their fullest potential. **In 2024, we provided education to more than 12,000 students across the island.**

OUR GOAL IS TO EDUCATE
125,000 STUDENTS
ANNUALLY BY 2030

COMMUNITY ENGAGEMENT

HOPE FOR ETERNITY

The local church is at the center of everything we do. When we come alongside and support pastors and churches with training and resources, they are empowered to reach their communities with the gospel. We leverage our 26 years of expertise in pastoral training, food security, medical care, women's empowerment programming, and donor support to help local churches grow and reach their communities for Christ. **As of 2024, we are working in 95 communities across the island.**

OUR GOAL IS TO PARTNER WITH
**200 GOSPEL-CENTERED
COMMUNITIES**
