### ALLARD (SWEDEN) BACK BRACE- NAVY X™ REGULAR

NAVY-X is a back support in strong ventilated elastic material. The navy color of this easy to apply lumbosacral makes it ideal as an outerwear support. Uni-sex! Tailored to fit both men and women. Firm elastic stabilization straps pull from the back and allow the wearer to relax the amount of compression during light activities, or cinch snug when maximum stabilization is required for extra support during strenuous activities. Simple and useful model.
