

INTERNSHIP PROGRAM

ABOUT:

Founded and chaired by former U.S. Senator Kelly Loeffler (R-GA), Greater Georgia is working to register, engage, and mobilize more eligible conservative voters in communities across the Peach State. That starts with engaging communities that feel left out of the political process and restoring trust and integrity in our election process. We educate current and future voters on conservative values and the importance of engaging in the political process.

Our internship provides a foundation of political experience to applicants. Interns with Greater Georgia are tasked with research and information-gathering assignments to educate them on Georgia politics and local government. In addition, interns will also have the opportunity to join our field team to help execute various events and programs.

Responsibilities include:

- Researching and compiling information as directed
- Recruiting volunteers
- Engaging with prospective voters
- Assisting in tasks as needed by the Outreach Coordinator

A few examples of activities our past interns have been a part of include:

- Attending and tabling at political, civic, and community events
- Creating and hosting voter registration drives
- Leading teams of volunteers during outreach events
- Attending political dinners and fundraisers on behalf of the organization

TIME REQUIREMENT / EXPECTATIONS:

Interns will dedicate a minimum of **10-15 hours weekly** to the organization working directly with our Outreach Coordinator. Please note, some travel is required to attend events.

COMPENSATION:

Interns will be compensated \$15 an hour and will be reimbursed for mileage. College credit and letters of recommendation are also available upon request. Interns who show promise will have the opportunity to apply for paid positions with Greater Georgia.

APPLICATION PROCESS:

Interested applicants should contact Deputy Political Director Dylan Blitz at dylan@greatergeorgia.com with questions or to submit a completed internship application. Please attach an updated resume with your application. **It is strongly encouraged that applicants research the organization before applying.**
