Other delivery options may be available, including face-to-face only. Contact us today.

ENTRY REQUIREMENTS

An individual undertaking this course with NNZMC Pty Ltd, trading as Industry Skills Solutions, will need to demonstrate the following to be eligible for entry:

- Participants must be 16 years and over
- ID is required
- A Unique Student Identifier (USI) Number. This is required prior to enrolments being processed. To obtain a USI number, please go to www.usi.gov.au to register.
- Online study: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies. Attendees must have completed their own online pre-course work (if applicable) prior to attending the face-to-face training day. If any applicant has not completed the online pre-course work, they will be unable to attend the session. This may incur further charges or cancellation fees.
- Participants must have the physical capability to be able to meet the demands of the practical skills demonstration;
- Participants must wear enclosed shoes/safety shoes and comfortable/practical clothing
- Language, literacy and numeracy requirements - students must be able to read and correctly interpret required documentation relevant to chainsaw operations, speak clearly and unambiguously in English, explain, describe and verify sometimes complex needs and issues and understand the risk assessment requirements. Writing is required to the level of completing workplace forms and producing any required reports. Numeracy is required to the level of being able to correctly calculate chain lengths and fuel mixing requirements.
- Digital skills: students need basic digital skills to enrol and to complete any online learning, including using a computer, tablet or smartphone, a web browser and email.
- Language, literacy, numeracy and digital (LLND) assessment: every student completes an LLND assessment with Industry Skills Solutions before enrolment is confirmed, to check the course is suitable and to identify any support needed. A completed LLND assessment is valid for 12 months; returning students complete a new one after 12 months.

Enrolment is confirmed only once all entry requirements have been met.

FOUNDATION SKILLS

The language, literacy, numeracy and employment skills essential to performance, as set out in each unit of competency on training.gov.au.

Reading	Interpret textual information from a range of sources to identify relevant and key information about workplace operations
Writing	Document site health and safety in the workplace, environmental and traffic control measures
Oral communication	Use clear language to report hazards and risks and to confirm work site, first aid and emergency personnel, equipment and procedures Participate in verbal exchanges to respond to questions and clarify information
Numeracy	Calculate fuel oil ratios and fuel quantities

Navigate the world of work	Recognise and follow workplace requirements, including safety requirements, associated with own role and area of responsibility
Interact with others	Use verbal and non-verbal communications with work team during operations using voice, hand and whistle signals
