

## FWPCOT2273

# Trim and cut felled trees

### TRAINING DESCRIPTION

This unit describes the skills and knowledge required to trim and cut felled trees with a chainsaw, and complete operator maintenance.

For the purpose of this unit of competency, a felled tree is any tree or part thereof, including, but not limited to, a tree trunk, branch or limb that has fallen or has been felled and is laying on the ground in a bushland, plantation, forested or other setting, including parkland, roadways and urban areas.

The unit applies to individuals who trim and cut felled trees as part of arboriculture, forestry, agriculture, conservation and land management, local government, emergency services and other government agency operations. With the exception of minor forest produce, this unit does not apply to commercial harvesting operations.

All work must be carried out to comply with workplace procedures, according to state/territory health and safety regulations, legislation, standards and industry codes of practice that apply to the workplace.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Full training details can be found here: <https://training.gov.au/training/details/FWPCOT2273/unitdetails>

### COURSE SCHEDULE

Face-to-face training and assessment (8 hours)

### ENTRY REQUIREMENTS

An individual undertaking this course on behalf of NNZMC PTY LTD T/a Industry Skills Solutions will need to demonstrate the following to be eligible for entry:

- Participants must be 16 years and over
- ID is required
- A Unique Student Identifier (USI) Number (or exemption). This is required prior to enrolments being processed. To obtain a USI number, please go to [www.usi.gov.au](http://www.usi.gov.au) to register.
- Online study/evidence submission: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online studies/evidence submission.
- Participants must have the physical capability to be able to meet the demands of the practical skills demonstration (if required)
- Participants must wear enclosed shoes/safety shoes and comfortable/practical clothing (if required)
- Language, literacy and numeracy requirements - students must be able to read and correctly interpret required documentation relevant to chainsaw operations, speak clearly and unambiguously in English, explain, describe and verify sometimes complex needs and issues and understand the risk assessment requirements. Writing is required to the level of completing workplace forms and producing any required reports. Numeracy is required to the level of being able to correctly calculate chain lengths and fuel mixing requirements.
