ENTRY REQUIREMENTS

An individual undertaking this course with NNZMC Pty Ltd, trading as Industry Skills Solutions, will need to demonstrate the following to be eligible for entry:

- Participants must be 16 years and over
- ID is required
- A Unique Student Identifier (USI) Number. This is required prior to enrolments being processed. To obtain a USI number, please go to www.usi.gov.au to register.
- Participants must have the physical capability to complete the practical assessment requirements. This includes performing at least 2 minutes of uninterrupted CPR, including compressions and rescue breaths, on an adult resuscitation manikin placed on the floor, and CPR on an infant manikin placed on a firm surface.
- Online study: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies. Attendees must have completed their own online pre-course work (if applicable) prior to attending the face-to-face training day. If any applicant has not completed the online pre-course work, they will be unable to attend the session. This may incur further charges or cancellation fees.
- Language, literacy and numeracy requirements - students must be able to read and correctly interpret required documentation relevant to first aid, speak clearly and unambiguously in English, and explain, describe and verify sometimes complex needs and issues. Writing is required to the level of completing workplace forms and producing any required reports.
- Digital skills: students need basic digital skills to enrol and to complete any online learning, including using a computer, tablet or smartphone, a web browser and email.
- Language, literacy, numeracy and digital (LLND) assessment: every student completes an LLND assessment with Industry Skills Solutions before enrolment is confirmed, to check the course is suitable and to identify any support needed. A completed LLND assessment is valid for 12 months; returning students complete a new one after 12 months.

Reasonable adjustment may be available where appropriate; however, adjustments cannot remove or alter the essential practical assessment requirements of the unit. Please contact us before enrolment if you have concerns about completing the practical activities.

Enrolment is confirmed only once all entry requirements have been met.

FOUNDATION SKILLS

The language, literacy, numeracy and employment skills essential to performance, as set out in each unit of competency on training.gov.au.

The Foundation Skills describe those required skills (language, literacy, numeracy and employment skills) that are essential to performance.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.
