About this course

This unit of competency covers the skills and knowledge required to recognise and control the risks of falls.

This unit of competency applies to operators who are required to undertake work in which there is a risk of injury to themselves or any other person by falling from one level to another.

This unit of competency reflects the requirements of Part 4.4 of Work Health and Safety (WHS) Regulations 2011.

Continued overleaf.

ABOUT THIS COURSE, CONTINUED

While the regulations focus on the requirements for the Person Conducting a Business or Undertaking (PCBU), this unit is directed at the worker undertaking a specific job/work.

This unit of competency applies to an individual working alone or as part of a team or group and working in liaison with other shift team members and the control room operator, as appropriate.

This unit includes the use of fall-arrest equipment which complies with AS/NZS 1891 Series - Industrial fall-arrest systems and devices as part of this competency.

Some jurisdictions may require the holder of this unit to be licensed or certified and users should check with the relevant authorities.

DELIVERY AND SCHEDULE

Step 1: Enhanced Online Learning (2 - 4 hours) - Completed at your own pace, prior to the face-to-face training sessions.

Step 2: Face-to-face training and assessment (1 day)

Other delivery options may be available, including face-to-face only. Contact us today.

ENTRY REQUIREMENTS

An individual undertaking this course with NNZMC Pty Ltd, trading as Industry Skills Solutions, will need to demonstrate the following to be eligible for entry:

- Participants must be 16 years and over
- ID is required
- A Unique Student Identifier (USI) Number. This is required prior to enrolments being processed. To obtain a USI number, please go to **www.usi.gov.au** to register.
- Online study: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies. Attendees must have completed their own online pre-course work (if applicable) prior to attending the face-to-face training day. If any applicant has not completed the online pre-course work, they will be unable to attend the session. This may incur further charges or cancellation fees.
- Participants must have the physical capability to be able to meet the demands of the practical skills demonstration;
- Participants must wear enclosed shoes/safety shoes and comfortable/practical clothing
- Language, literacy and numeracy requirements - students must be able to read and correctly interpret required documentation relevant to working at height, speak clearly and unambiguously in English, explain, describe and verify sometimes complex needs and issues and understand the risk assessment requirements. Writing is required to the level of completing workplace forms and producing any required reports. Numeracy is required to the level of being able to correctly calculate total fall distances.
- Digital skills: students need basic digital skills to enrol and to complete any online learning, including using a computer, tablet or smartphone, a web browser and email.
- Language, literacy, numeracy and digital (LLND) assessment: every student completes an LLND assessment with Industry Skills Solutions before enrolment is confirmed, to check the course is suitable and to identify any support needed. A completed LLND assessment is valid for 12 months; returning students complete a new one after 12 months.

Enrolment is confirmed only once all entry requirements have been met.

FOUNDATION SKILLS

The language, literacy, numeracy and employment skills essential to performance, as set out in each unit of competency on training.gov.au.

This section describes those language, literacy, numeracy and employment skills that are essential to performance.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

RECOGNITION OF PRIOR LEARNING (RPL)

NNZMC Pty Ltd T/a Industry Skills Solutions RTO 45974 offers this course through a Recognition of Prior Learning (RPL) pathway. The RPL process recognises your existing experience gained through life or work for which you may not have obtained a formal qualification.

RPL pricing is subject to an assessment of the candidate.

The Recognition of Prior Learning (RPL) Policy and the RPL Application Form are on our website: **industryskillssolutions.com.au/RTO-Policies**
