PUAFER005

Operate as part of an emergency control organisation

TRAINING DESCRIPTION

This unit of competency involves the skills and knowledge required to work within the command, control and coordination structure of an Emergency Control Organisation (ECO). An ECO's priority is the safety of facility occupants and visitors during an emergency which means ECO members are responsible for pre-emergency, emergency and post emergency actions. It includes undertake pre-emergency planning, taking appropriate actions in an emergency and assisting with post emergency activities.

The unit has been developed to cover the facilities as specified in Australian Standard (AS) 3745 and AS4083. For this unit, as covered by AS3745 and/or AS4083, occupants are people attending a facility on a permanent or temporary basis such as an employee, contractor, student or resident, but not a visitor or patient and a facility is a building, structure or workplace that is, or may be, occupied by people (occupants).

All aspects of the unit must be undertaken in accordance with legislative requirements, organisational policies and procedures and accepted safe practices. It applies to members of an ECO who are floor or area wardens and/or wardens or deputy wardens.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Full training details can be found here: <https://training.gov.au/training/details/PUAFER005/unitdetails>

ENTRY REQUIREMENTS

An individual undertaking this course on behalf of NNZMC PTY LTD T/a Industry Skills Solutions will need to demonstrate the following to be eligible for entry:
