

# Certificate II in Resources and Infrastructure Work Preparation

## QUALIFICATION DESCRIPTION

This qualification reflects the roles of individuals working in the resources and infrastructure industries who perform mainly routine tasks and procedures, using limited practical skills and fundamental operational knowledge, and taking some responsibility for the quality of the work outcomes.

This is a pathway qualification and that prepares individuals to successfully undertake a sector-specified Certificate III from the RII Resources and Infrastructure Industry Training Package.

Licensing, legislative and certification requirements that apply to this qualification can vary between states, territories and industry sectors. Users must check requirements with relevant body before applying the unit.

For full Qualification details visit: <https://training.gov.au/Training/Details/RII20120>

## QUALIFICATION SCHEDULE

### Blended Delivery

NNZMC Pty Ltd T/a Industry Skills Solutions RTO 45974 offers this qualification through a blended delivery pathway. This includes the use of our enhanced online learning platform and in-workplace training and assessment (face to face). This delivery method is ideal for new entrants to the resources industries.

The expected completion timeline for this Qualification is 12 months.

### Recognised Prior Learning (RPL)

NNZMC Pty Ltd T/a Industry Skills Solutions RTO 45974 offers this qualification through a Recognition of Prior Learning (RPL) pathway.

The RPL process recognises your existing experience gained through life or work for which you may not have obtained a formal qualification. We will work with you to identify your existing skills and assess if you can then achieve a full or partial qualification. This also helps to avoid unnecessary duplication of training, saving you time and money.

Under an RPL pathway you will be required to gather and submit valid, current (preferably under 12 months old, however assessment of currency remains the discretion of the Assessor), authentic and sufficient evidence to demonstrate your existing drilling knowledge and skills to meet the qualification requirements.

### RPL Entry Requirements

Participants should already be employed in the resources and infrastructure industries, with a minimum of 12 months experience in the role or have prior experience and have access to a sufficient evidence where competencies can be demonstrated and/or verified.

The expected completion timeline for this Qualification is 12 months.

Skills Solutions RTO 45974 Student handbook for information on fees.
