STUDENTS WHO ARE ASSESSED AS COMPETENT WILL RECEIVE
a Statement of Attainment

About this course

This unit involves the skills and knowledge required to apply fatigue management strategies within the transport and logistics industry.

It includes identifying and acting on signs of fatigue and implementing appropriate strategies to minimise fatigue during work activities, in particular when operating equipment, trains, vehicles, load shifting equipment, marine vessels and aircraft.

Work is undertaken in compliance with relevant legislation, regulations, codes and guidelines.

Work is performed under some supervision generally within a team environment.

Continued overleaf.

COURSE FEES

$260.00 GST Free

RPL pricing is subject to an assessment of the candidate.

Please refer to NNZMC Pty Ltd T/a Industry Skills Solutions RTO 45974 Student handbook for information on fees.

Payment terms, refunds, cancellation and withdrawal are set out in the RTO Fees and Refunds Policy.

ENTRY REQUIREMENTS

An individual undertaking this course on behalf of NNZMC PTY LTD T/a Industry Skills Solutions will need to demonstrate the following to be eligible for entry:

- Participants must be 16 years and over
- ID is required
- A Unique Student Identifier (USI) Number (or exemption). This is required prior to enrolments being processed. To obtain a USI number, please go to **www.usi.gov.au** to register.
- Online study/evidence submission: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online studies/evidence submission.
- Participants must have the physical capability to be able to meet the demands of the practical skills demonstration (if required)
- Participants must wear enclosed shoes/safety shoes and comfortable/practical clothing (if required)
- Language, literacy and numeracy requirements - students must be able to read and correctly interpret required documentation relevant to transport operations, speak clearly and unambiguously in English, explain, describe and verify sometimes complex needs and issues and understand the risk assessment requirements. Writing is required to the level of completing workplace forms and producing any required reports. Numeracy is required to the level of being able to correctly calculate time.
- Digital skills: students need basic digital skills to enrol and to complete any online learning, including using a computer, tablet or smartphone, a web browser and email.
- Language, literacy, numeracy and digital (LLND) assessment: every student completes an LLND assessment with Industry Skills Solutions before enrolment is confirmed, to check the course is suitable and to identify any support needed. A completed LLND assessment is valid for 12 months; returning students complete a new one after 12 months.

Enrolment is confirmed only once all entry requirements have been met.

FOUNDATION SKILLS

The language, literacy, numeracy and employment skills essential to performance, as set out in each unit of competency on training.gov.au.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

RECOGNITION OF PRIOR LEARNING (RPL)

NNZMC Pty Ltd T/a Industry Skills Solutions RTO 45974 offers this course through a Recognition of Prior Learning (RPL) pathway. The RPL process recognises your existing experience gained through life or work for which you may not have obtained a formal qualification.

RPL pricing is subject to an assessment of the candidate.

The Recognition of Prior Learning (RPL) Policy and the RPL Application Form are on our website: **industryskillssolutions.com.au/RTO-Policies**

ASSESSMENT
