ENTRY REQUIREMENTS

An individual undertaking this course with NNZMC Pty Ltd, trading as Industry Skills Solutions, will need to demonstrate the following to be eligible for entry:

- Participants must be 16 years and over
- ID is required
- A Unique Student Identifier (USI) Number. This is required prior to enrolments being processed. To obtain a USI number, please go to www.usi.gov.au to register.
- Online study: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies. Attendees must have completed their own online pre-course work (if applicable) prior to attending the face-to-face training day. If any applicant has not completed the online pre-course work, they will be unable to attend the session. This may incur further charges or cancellation fees.
- Participants must have the physical capability to be able to meet the demands of the practical skills demonstration;
- Participants must wear enclosed shoes/safety shoes and comfortable/practical clothing
- Language, literacy and numeracy requirements - students must be able to read and correctly interpret required documentation relevant to inspections on electrical equipment, speak clearly and unambiguously in English, explain, describe and verify sometimes complex needs and issues and understand the risk assessment requirements. Writing is required to the level of completing workplace forms and producing any required reports. Numeracy is required to the level of being able to correctly calculate dates/times.
- Prerequisite unit: UEERL0003 Conduct in-service safety testing of electrical cord connected equipment and cord assemblies has the prerequisite unit UEECD0007 Apply work health and safety regulations, codes and practices in the workplace on the national register. Both units are delivered in this course.
- Digital skills: students need basic digital skills to enrol and to complete any online learning, including using a computer, tablet or smartphone, a web browser and email.
- Language, literacy, numeracy and digital (LLND) assessment: every student completes an LLND assessment with Industry Skills Solutions before enrolment is confirmed, to check the course is suitable and to identify any support needed. A completed LLND assessment is valid for 12 months; returning students complete a new one after 12 months.

Enrolment is confirmed only once all entry requirements have been met.

FOUNDATION SKILLS

The language, literacy, numeracy and employment skills essential to performance, as set out in each unit of competency on training.gov.au.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

RECOGNITION OF PRIOR LEARNING (RPL)

NNZMC Pty Ltd T/a Industry Skills Solutions RTO 45974 offers this course through a Recognition of Prior Learning (RPL) pathway. The RPL process recognises your existing experience gained through life or work for which you may not have obtained a formal qualification.

RPL pricing is subject to an assessment of the candidate.

The Recognition of Prior Learning (RPL) Policy and the RPL Application Form are on our website: **industryskillssolutions.com.au/RTO-Policies**
