DELIVERY
Online learning, then face-to-face

MINIMUM AGE
16 years and over

STUDENTS WHO ARE ASSESSED AS COMPETENT WILL RECEIVE
a Statement of Attainment

About this course

This unit involves the skills and knowledge required to perform a rescue from live low voltage (LV) electrical apparatus in an electrical industry environment. This does not include overhead lines and underground cables.

It includes the organisational workplace requirements for the inspection and use of live LV panel rescue equipment, and how it applies to electricity supply industry (ESI) workers and/or electrical industry workers to meet work health and safety (WHS)/occupational health and safety (OHS), mobility and mutual aid requirements.

WHO DELIVERS THIS TRAINING

Training and assessment are delivered by HMC Group Solutions Pty Ltd on behalf of NNZMC Pty Ltd T/a Industry Skills Solutions, RTO 45974.

Delivery locations, course dates and booking: **hmcgroupsolutions.com.au/lvr/cpr-training**

ENTRY REQUIREMENTS

An individual undertaking this course with NNZMC Pty Ltd, trading as Industry Skills Solutions, will need to demonstrate the following to be eligible for entry:

- Participants must be 16 years and over
- ID is required
- A Unique Student Identifier (USI) Number. This is required prior to enrolments being processed. To obtain a USI number, please go to **www.usi.gov.au** to register.
- Online study: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies. Attendees must have completed their own online pre-course work (if applicable) prior to attending the face-to-face training day. If any applicant has not completed the online pre-course work, they will be unable to attend the session. This may incur further charges or cancellation fees.
- Participants must have the physical capability to be able to meet the demands of the practical skills demonstration;
- Participants must wear enclosed shoes/safety shoes and comfortable/practical clothing
- Language, literacy and numeracy requirements - students must be able to read and correctly interpret required documentation relevant to the electrical industry, speak clearly and unambiguously in English, explain, describe and verify sometimes complex needs and issues and understand the risk assessment requirements. Writing is required to the level of completing workplace forms and producing any required reports. Numeracy is required to the level of being able to correctly calculate safe approach distances.
- Prerequisite unit: UETDRMP018 Perform rescue from a live low voltage panel has the prerequisite unit HLTAID009 Provide cardiopulmonary resuscitation on the national register. Both units are delivered in this course.
- Digital skills: students need basic digital skills to enrol and to complete any online learning, including using a computer, tablet or smartphone, a web browser and email.
- Language, literacy, numeracy and digital (LLND) assessment: every student completes an LLND assessment with Industry Skills Solutions before enrolment is confirmed, to check the course is suitable and to identify any support needed. A completed LLND assessment is valid for 12 months; returning students complete a new one after 12 months.

Enrolment is confirmed only once all entry requirements have been met.

FOUNDATION SKILLS

The language, literacy, numeracy and employment skills essential to performance, as set out in each unit of competency on training.gov.au.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

RECOGNITION OF PRIOR LEARNING (RPL)

NNZMC Pty Ltd T/a Industry Skills Solutions RTO 45974 offers this course through a Recognition of Prior Learning (RPL) pathway. The RPL process recognises your existing experience gained through life or work for which you may not have obtained a formal qualification.

RPL pricing is subject to an assessment of the candidate.

The Recognition of Prior Learning (RPL) Policy and the RPL Application Form are on our website: **industryskillssolutions.com.au/RTO-Policies**
