

SHRM-CP AND SHRM-SCP

HR Certification Prep Course

Siouxland SHRM and Morningside University are partnering!

Morningside University's SHRM-CP prep course will increase your chances of passing your SHRM-CP or SHRM-SCP exam with our 7-week Virtual Instructor-Led prep course. The course is not specific to any state, so you can join from virtually anywhere! Your instructor will provide instruction on the various twists and turns of Human Resource Management to help prepare you for the SHRM-CP or SHRM-SCP test.

"The two SHRM credentials provide reliable indicators to the global business community that the credential-holder is a recognized expert and leader in the HR field with the necessary capabilities in both aspects of HR practice—competencies and knowledge—that are required for effective job performance."

— SHRM

Anyone is welcome to take the class, but students will be expected to review SHRM's exam eligibility requirements.

Testimonial

"I took the SHRM-CP test...and passed! I'm so glad I took your prep course because I felt much more prepared than when I tried to learn it all on my own. Your class made all the difference for me! You did a great job covering everything that could possibly be on the test, and I am grateful for that!"
