It's shocking how fast electronics (E-waste) become obsolete. PLEASE do not put these items in your trash as they contain toxic materials banned from landfills since 2011.

Accepted Electronics Include (free of charge):

Computer monitors/towers, laptops, printers, scanners, keyboards, cables, modems, ipad/tablets, stereo systems, radios, MP3 players, DVD/VHS players, CD players, camcorders, fax machines, tabletop copiers, blenders, toasters, telephones/cell phones, answering machines, gaming systems, chargers, digital cameras.

***** **(\$20—cash only: FOR TELEVISIONS/ANY SIZE)** *****

Non-Accepted Items Include:

Hair dryers/curling irons, A/C units, large appliances, microwaves, batteries, smoke detectors, chemicals/cleaners, fluores. tubes, furniture, grills/propane tanks.
