GOSPEL MEDITATION

Dorothy Day, the great Catholic activist, doubted God's existence. At least in her early adult years. But something changed when after giving birth to her daughter, she experienced an overwhelming gratitude. She later described how, as she held her daughter, the only appropriate response was a kind of unlimited gratitude. She had done nothing to deserve such a gift — this tiny, miraculous life — but there she was, flooded with gratitude, completely undone by the love of such a Giver.

Something similar occurs in Luke 17:19 when Jesus tells a healed leper, "Stand up and go; your faith has saved you." This man had already received physical healing through his faith. But the moment of an even deeper transformation came when he turned back, fell at Jesus' feet, and gave thanks. Like Dorothy, this man's gratitude led him to encounter the Giver.

Isn't that what we want, too? Gratitude to God has the power to break our chains of sadness, bitterness, and disenchantment. It empowers us to step out of the prison of self-pity and into the reality of God's abundant love. It shifts our focus from what we lack to what we have received, from what wounds us to what heals us.

Where do we learn this? The Mass. The priest prays: "It is truly right and just, our duty and our salvation, always and everywhere to give you thanks." Always. Everywhere. Not just when life is easy. Not just when prayers are answered as we expect. Gratitude is not a passive feeling; it is an act of faith. In the eucharist, we remember that Christ himself has given everything for us. And in this act of gratitude, we are healed.
