

Wireworks Electric is looking to hire a Master Electrician or Licensed Journeyman to join our team. We are a locally-owned contractor established in Grand Rapids since 1994, known for high-quality residential and commercial work.

We are offering a full-time position for a qualified candidate, ideally someone interested in working in the field combined with some managerial responsibilities. If you are looking for a change from the bureaucracy of a large company, and you'd like to be an integral part of a small company, this is an opportunity for you! Competitive pay and profit-sharing plan.

Please send your resumé and the name and contact information of *at least one reference* to our business manager: [cindy@wireworksgr.com](mailto:cindy@wireworksgr.com).

**\*Journeyman may receive a financial bonus upon passing the Master Electrician licensing exam.**
