

# REFLECT, SHARE, INSPIRE.

The Catholic Parenting Initiative (CPI) is a new program designed to nourish the spiritual lives of parents and caregivers by providing them with the necessary resources and support to help them to

share their faith and values with their children.

Over the next four years, CPI will be partnering with your parish with the goal of developing critical resources, creating a stronger community, and helping each individual to grow in his or her relationship with God. We'd love your help!

**Simply scan the QR code to the right and fill out a 5-10 minute, confidential survey.** This survey is the first objective in your parish's partnership with CPI, and taking the survey will help the CPI team to better understand how we can assist parents and caregivers just like you in the coming years!
