

WELCOME TO THE CATHOLIC PARENTING INITIATIVE

For the next four years, your parish will be partnering with the Catholic Parenting Initiative (CPI) to develop resources and programming designed to support parents and caregivers just like you. This collaboration will leave you feeling confident, competent, equipped, and empowered to pass on the Catholic faith to your child(ren).

This programming will provide you with holistic formation opportunities for personal, intellectual, and spiritual growth, so that you can take ownership of your faith, deepen your personal relationship with God, and build stronger relationships and more vibrant communities within your parish.

The goal of this initiative is to serve you, the Catholic parents and caregivers in the Diocese of Buffalo. Your voice is incredibly important to us. **To find out how to get involved or to get in touch, visit CPIWNY.org or contact Riley Emer at cpi@olvcharities.org or (716) 828-9633.**

We look forward to supporting you in your vocation!

Be on the lookout for programming and upcoming events. Check your parish website, the CPI site at CPIWNY.org, or follow us on Instagram or Facebook.
