

Sacrament of Healing Mass

With Fr. Richard S. DiGiulio

Wednesday June 24, 2026

St. Peter RC Church

620 Center St ~ Lewiston, NY

Confessions 6:00pm ~ Mass 7:00pm

The laying on of hands is a visible sign of the Church's prayer that God may bring healing, strength, comfort, and peace according to His holy will.

While physical healing may occur during due to the laying on of hands, the greatest healing is always the grace of God's presence, which strengthens us to carry our burdens with faith and hope. All are welcome to attend this Healing Mass, whether seeking healing for themselves, praying for a loved one, or simply desiring a deeper encounter with Christ. Through prayer, the Eucharist, and the support of the faith community, we are reminded that Jesus remains the Divine Physician who continues to heal and restore His people today.

All Are Welcome!
