

Sacrament of Healing Mass

With Fr. Aaron Kulczyk

Tuesday March 10, 2026

St. Peter RC Church

620 Center St ~ Lewiston, NY

7:00pm

The Mass includes the anointing of the sick person with blessed oil, which is a symbol of healing and God's grace. Prayers are offered for physical, spiritual, and emotional healing, as well as for those who care for the sick.

The sacrament provides comfort, peace, and courage to those facing illness or old age, uniting them with the passion of Christ.

Do not wait until a serious emergency—this sacrament is meant to bring comfort and strength whenever any illness arises (Physical or Spiritual).

All Are Welcome!
