Sports Club Jumps into Social Media

The Portsmouth Sports Club website is up and running with many features for our current and prospective members, potential sponsors, and the local high schools and student athletes we support. Visit the website www.portsmouthsportsclub.com. If you are plugged into social media, visit our **Portsmouth Sports Club Facebook** page. It has information about our events and photos from our lunch meetings, outings, and more.

Guest Speaker for our March meeting

The club will welcome and hear from our guest speaker, **Roland Wright Varsity Head Coach for the Western Branch High School** baseball team. In 21 seasons at Western Branch, Coach Wright has recorded 329 wins. Last year, he received the **ODU Bud Matheny Award**, and

many years ago, **Tommy Kilpatrick** awarded coach Wright with the **PSC Coach of the Year** award!

NCAA Basketball Squares Contest

Club members are encouraged to bring cash to the meeting Tuesday and participate in the **NCAA Basketball Squares** contest. The contest is similar to Super Bowl Squares. 100 names are filled in on a board and the winners are determined by the last digit for the winning team and last digit for the losing team each half. See **Rick Corey** to sign up. \$20 per square. Watch the YouTube video on how the game is played <https://www.youtube.com/shorts/Mw5QHnGBUdo>
