Dear Father Brzezowski,

We gratefully received your contribution of \$300 dated July 1, 2026 – check #19524.

Your partnership comes at a critical moment for our community. In recent years, our region has seen a 40% increase in uninsured patients seeking care. As policy changes and economic pressures continue, we are preparing for even more vulnerable adults to lose coverage in the months ahead. This growing need places significant strain on safety-net providers like Grace Clinic—but it also underscores the importance of faithful partners like you.

Because of your generosity, we are able to expand access to essential health services for those who would otherwise go without care. Your support ensures that individuals facing uncertainty can still receive compassionate, high-quality healthcare when they need it most.

Together, we are meeting a rising need with hope and practical care.

With thanks,

Avonte Jackson
Executive Director
