Dear Father Brzezowski,

We gratefully received your contribution of \$300 dated September 1, 2026 – check #19611.

Many of our patients are living with chronic diseases such as diabetes and high blood pressure. Thanks to your generosity and compassion, we are able to provide patients with medical care, education and the tools they need to better manage their health and live healthier lives.

Because of supporters like you, we are able to help patients like Medardo, a nursery foreman who came to Grace Clinic with dangerously high blood pressure and uncontrolled insulin levels. With the care and support he received, Medardo has lost 87 pounds and reversed his diabetes.

Stories like Medardo's are possible because you believe in caring for our neighbors in need.

With thanks,

Ericka Watson
Development Coordinator

The Grace Clinic Zumbathon will be held on Saturday, September 26 at The Richland Community Center. Registration is now open!
