WE CAN SAVE YOUR CAR FROM THE SUMMER HEAT!

Summer is almost here and the temperature is rising. We know how the heat can affect us but did you know it can affect your car as well? The battery, belts and hoses, and tires are just some of the parts that are sensitive to heat. Scheduling an inspection now will give us the opportunity to make sure your fluids are at the correct level and to check for any wear that could lead to a breakdown later on. This is also the perfect time to have your AC checked, to help you stay cool in the car this summer.

Whatever service your car needs, we are here to help it face the challenges that come with the hot, summer days.

Dave
Dave Polchena, Owner

Create Your Own Coupon

\$10 off any service or repair of \$100 or more
\$20 off any service or repair of \$200 or more
\$30 off any service or repair of \$300 or more
