ABOUT US

In partnership with **Technical Associates of Charlotte**, I-care leads **Predictive Maintenance** with AI and patented sensors, improving safety, productivity, and sustainability worldwide.

OUR SERVICES

- ✓ Wireless Sensors
- ✓ Continuous Monitoring Hardware
- ✓ Project Management
- ✓ Criticality Analysis
- ✓ Reliability Engineering
- ✓ Staff Augmentation
- ✓ Integrated full-service Predictive Technology applications (Vibration, IR, Ultrasound, Oil, Motion Amplification, Motor Testing, and more)

DRIVING EXCELLENCE ACROSS **ALL INDUSTRIES**

- | | |
|---------------------|----------------|
| ✓ Automotive | ✓ Mining |
| ✓ Building Material | ✓ Oil & Gas |
| ✓ Chemical | ✓ Pharma |
| ✓ Energy | ✓ Pulp & Paper |
| ✓ Food & Beverage | ✓ Steel |
| ✓ Marine & Offshore | ✓ Wind |

Our solutions enhance equipment uptime and streamline maintenance operations in thousands of plants worldwide.

Changing the Way the
World Performs
