Hawaii Student Suites is a locally owned and operated company that has specialized in offering students high quality off-campus housing options for over 10 years. We focus on fostering a safe environment where students of all backgrounds can feel comfortable focusing on their studies as well as expanding their social and cultural horizons. Students are able to experience the independence of living off campus while still being on properties with community policies and a caring staff to assist as needed. Hawaii Student Suites is large enough to serve you well, but we're small enough to care.

We hope you join the Hawaii Student Suites 'ohana!
