HL/Skin RESURFACING GEL CLEANSER

Your daily refresh.

Giving your skin a “resurface” starts with this gentle but effective foaming cleanser that lifts away makeup, dirt, and excess oil without over-drying.

The result?

Clean, refreshed and balanced skin.

For the ultimate self-care ritual, pair it with our:

- **Cotton Beauty Headband** and
- **Cleansing Silicone Brush**

How to use

1. Apply to wet hands and work into a light foam. Gently massage in circular motions over the face and neck.
2. Rinse thoroughly with warm water and pat dry.
3. Use morning and evening to wash away make-up, dirt and excess oil, leaving your skin feeling clean and refreshed.

Cotton Beauty Headbands

Skincare Know-How:

Balanced cleansing is key – this formula works hard without over-drying your skin.

To take your skincare routine to the next level, use with:

- **HL/Skin Nourishing Eye Cream,**
- **HL/Skin 10% Niacinamide Serum** and
- **HL/Skin Ultimate Tension Cream**

Cleansing Silicone Brush

Your Skin Goal:

Illuminated, hydrated, and smooth skin.

Targets:

Dullness, and excess oil.

Skin Type:

Suitable for diverse skin.

The advertisement features two bottles of HL/Skin 10% NIACINAMIDE SERUM against a warm, golden-yellow background. The bottle on the left is larger and has a white cap, while the bottle on the right is smaller and has a clear cap. Both bottles are made of clear glass and contain a yellowish serum. The labels on the bottles include the brand name 'HL/Skin' in a bold, sans-serif font, followed by '10% NIACINAMIDE SERUM' and 'Brightness + Illumination'. A circular logo with the text 'BACKED BY SCIENCE' and a leaf icon is also visible on the labels. A glass dropper with a silver-colored cap is positioned above the smaller bottle, with a single drop of serum falling from it. The overall aesthetic is clean and modern, emphasizing the product's benefits for skin brightness and illumination.

HL/Skin 10% NIACINAMIDE SERUM

Radiance in a bottle.

This water-based serum is designed to brighten, smooth, and even out your skin tone – all while supporting a strong skin barrier. Formulated with 10% niacinamide, it works to minimise imperfections, even skin tone, and enhance luminosity while delivering hydration into the skin.

Powered by a blend of vitamin B5, glycerine and niacinamide to fight early signs of ageing.

Use with:

Gently massage into your skin with our **White Jade Gua Sha Tool**.

White Jade
Gua Sha Tool

Infused with skin-loving science:

Niacinamide (10%)

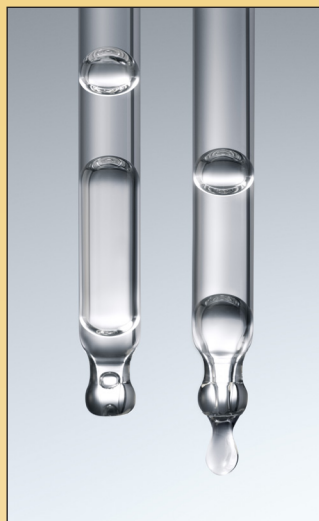

Evens skin tone, tightens skin, supports skin barrier and provides hydration.

Vitamin B5: Delivers hydration that locks in moisture.

Glycerine: Reinforces the skin's moisture balance.

How to use

1. Apply morning or night on dry skin after cleansing
2. Let the serum fully absorb before layering with other skincare or makeup.
3. Don't forget to use SPF protection during the day.

Skin Know-How:

1. Fast-absorbing, lightweight, perfect for layering with other HL/Skin products.
2. Improves the skin barrier.

Your Skin Goal:

A bright, smooth, and even complexion with a healthy glow.

Targets:

Dullness, uneven skin tone, dryness, and early signs of ageing.

Skin Type:

Suitable for diverse skin types.

HL/Skin NOURISHING EYE CREAM

Reducing the early
visible signs of ageing.

This lightweight, fast-absorbing eye cream melts effortlessly into the skin, working to hydrate and moisturise the delicate eye area. Enriched with adenosine, niacinamide, squalane, and natural butters and oils, it targets fine lines and dryness around the delicate eye area, giving the appearance of smoothness, luminosity, and radiance. Suitable under make-up due to its non-greasy formula.

Skincare Tip:

Light tapping promotes absorption and circulation without stressing the skin.

Infused with skin-loving science:

Squalane: Our squalane is derived from plant-based sources. Provides hydration and moisturising benefits.

Natural oils and butters—Support skin hydration and reduction of dryness.

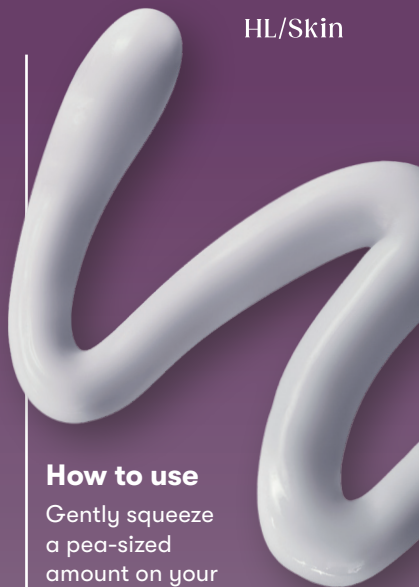

Adenosine and Niacinamide: Together support hydration and the reduction of fine lines, helping to reduce the early visible signs of ageing.

Vitamin B5: Moisturises and strengthens the skin barrier.

Glycerine: Attracts and retains moisture for optimal skin hydration.

How to use

Gently squeeze a pea-sized amount on your fingertip and gently tap onto the surrounding eye area and orbital bone using your ring finger, for effortless absorption and lasting hydration

Skincare Know-How:

Healthy ageing means supporting your skin's natural changes over time by focusing on long-term skin health, rather than simply trying to erase or hide signs of ageing. This approach embraces the natural ageing process and aims to keep skin as healthy, resilient, and radiant as possible at different stages of life.

Your Skin Goal:

Hydrated, smooth, and refreshed under-eye skin with a luminous finish.

Targets:

Wrinkles, lack of moisture, and dullness.

Skin Type:

Suitable for diverse skin types.

HL/Skin ULTIMATE TENSION CREAM

Smooth, firm,
and hydrate
your skin, daily.

As we get older, our skin naturally changes. It may start to feel drier because it produces less moisture and can lose some of the elasticity it once had. Fine lines may appear, but this rich and velvety moisturiser targets signs of ageing and boosts skin elasticity – revealing a radiant, hydrated, and smooth finish to your skin.

Infused with skin-loving science:

Adenosine and Niacinamide: Together, they support hydration and the reduction of fine lines and wrinkles.

Vitamin B5: Moisturises and improves skin softness while strengthening the skin barrier.

How to use

1. Apply every morning to clean and dry skin.
2. Gently massage onto the face and neck in upward motions to boost circulation and absorption.

Start your routine with:

- **HL/Skin Resurfacing Gelo Cleanser,**
- **HL/Skin Nourishing Eye Cream and**
- **HL/Skin 10% Niacinamide Serum.**

Use with:

White Jade Gua Sha Tool after application to massage.

Your Skin Goal:
Firm, lifted, and radiant skin with enhanced elasticity.

Targets:
Wrinkles, loss of firmness, dryness, and dullness.

Skin Type:
Suitable for diverse skin types.

HL/Skin REVITALISING NIGHT CREAM

Revitalise and replenish, overnight.

A luxuriously rich night cream that hydrates while working to replenish and revitalise your skin. It targets fine lines and wrinkles as you sleep, with Squalane to leave your skin feeling smooth and refreshed.

HL/Skin NOURISHING HAND & BODY LOTION

Melts into your skin like a dream.

Your Skin Goal:

Comfortably hydrated, soft, and resilient skin with a strengthened moisture barrier.

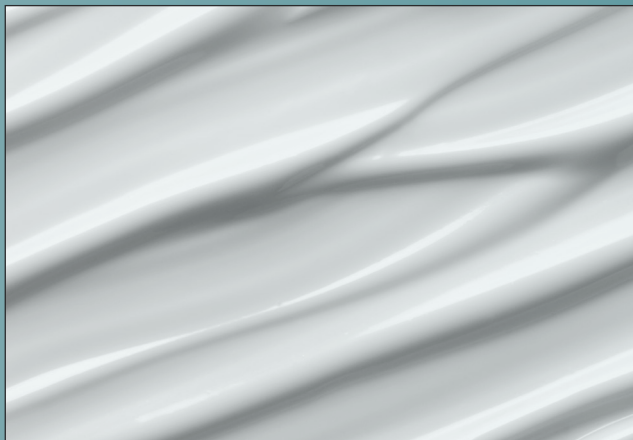

Targets:

Dryness, moisture loss, and rough texture.

Skin Type:

Suitable for diverse skin types.

Our HL/Skin Nourishing Hand & Body Lotion is a lightweight, fast absorbing, yet nourishing body moisturiser designed to offer long-lasting hydration and soften your skin. Enriched with 6% squalane, it helps strengthen your skin barrier for lasting comfort. It glides on effortlessly, leaving skin velvety smooth, soft, and beautifully moisturised.

Whether you need a hand cream for dry hands, a skin barrier support lotion, or a hydrating body lotion for all-over softness, this formula does it all.

Infused with skin-loving science:

Squalane: provides long-lasting hydration.

Glycerine boosts skin hydration and shields against dryness.

How to use

Apply daily as needed, onto clean, dry skin until absorbed.

HL/Skin RADIANCE DAY CREAM SPF 30

This Radiance Day Cream SPF 30 is a hydrating and smoothing day cream that delivers lasting moisture and a non-greasy finish.

It helps protect the skin from premature ageing, with SPF 30 to support daily defence against UVA and UVB rays.

How to use

Apply to clean, dry skin every morning as the last step of your skincare routine. Gently massage into the face and neck until absorbed.
