## BEQUESTS

Bequests are incredibly generous gifts, making a very significant difference to the support that the Royal Melbourne Hospital Neuroscience Foundation receives each year.

All information received by the Royal Melbourne Hospital Neuroscience Foundation is treated in the strictest confidence, and we will respect your wishes if you choose to remain anonymous.

If you wish to donate to the Royal Melbourne Hospital Neuroscience Foundation in your Will, please find an example of our Will Wording below. Please note, this should only be used as a guide – the exact Will Wording will depend on the type of bequest you wish to make.

We recommend that you discuss your wishes with your solicitor or the Office of the Public Trustee who can assist with the preparation of your Will to make a bequest to us.

## WILL WORDING

"I give, devise and bequeath to the Royal Melbourne Hospital Neuroscience Foundation (ABN 25 741 608 900) of 300 Grattan Street, Parkville, Victoria, 3050, free from all taxes and duties, [specify your gift, eg. the sum of \$---]. I direct that the receipt of any trustee or other proper officer for the time being of that Foundation, will be a sufficient discharge to my Trustees who will not be bound to see its application. Without creating a binding obligation on my executor or the Royal Melbourne Hospital Neuroscience Foundation, I request that the Foundation use this bequest for the purpose of research in the field of [eg. brain tumour, stroke, epilepsy, dementia, Multiple Sclerosis, Parkinson's, Alzheimer's, movement disorders] and I request the Foundation to use these funds if at all practicable for this purpose or the purpose in its absolute discretion which most closely matches this purpose and failing that for the general purposes of the Royal Melbourne Hospital Neuroscience Foundation

THANK YOU FOR YOUR SUPPORT
