1. Parent Registers or Signs In

The parent/guardian must first create an Arsenal account or log in using an existing Arsenal account.

Parent or guardian Registration URL:

<https://e-academy.arsenalfootballdevelopment.com/registration-steps>

- Click “**Click Here**” under **Step 1A**
- You will receive a verification email (check spam/junk), click confirm
- Return to registration screen and click continue
- Your parent or guardian account is now successfully created.

2. Redeem Your Membership Code and Link Your Child

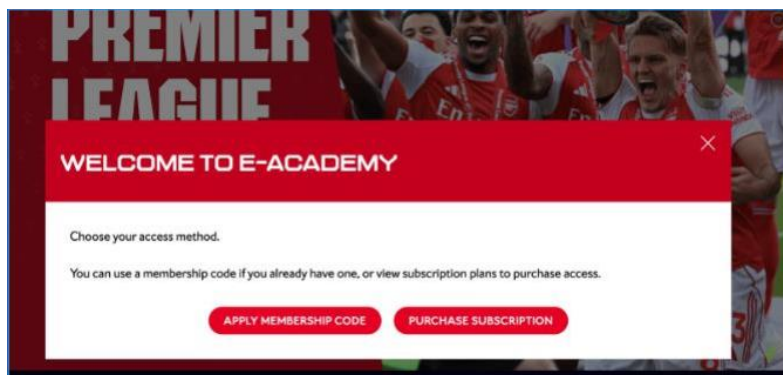

Log in to the E-Academy, you will be welcomed with a popup, follow the below steps:

- Select **Apply Membership Code**
- Enter the membership code received by email
- Redeem the code successfully

After redeeming the code, the parent enters:

- Child's Date of Birth
- If the child is 13+, the child's email address as well
- Match the existing Arsenal account details if applicable or ensure email is the same the junior will register with in the next step

This completes the **Link Child** step and prepares your child account for E-Academy access.

3. Create Your Child's Junior Account and Access the E-Academy

After linking your child, the final step is to create or connect their Junior Arsenal Account. Your child **will not be able** to access the E-Academy until this step has been completed.

If Your Child Already Has an Arsenal Account

1. Select **Sign In**.
2. Enter your child's Arsenal account details.
3. Once signed in, access to the E-Academy will be activated automatically.

If Your Child Does Not Have an Arsenal Account

Children Under 13

1. Select **Register**
2. Complete the Junior Account registration form
3. Keep a note of your unique username and ensure the parent/guardian email box matches the email you created your parent account
4. Submit the registration.
5. Return to the E-Academy and sign in using the newly created account.

Children Aged 13 and Over

1. Select **Register**.
2. Complete the registration form using your child's email address.

3. Ensure the parent/guardian email box matches the email you created your parent account
4. Verify the email address if required.
5. Sign in using the newly created account.

Accessing the E-Academy

Once your child's Junior Arsenal Account has been successfully created or connected:

- ✓ Parent Account Registered
- ✓ Membership Code Redeemed
- ✓ Child Linked
- ✓ Junior Account Created

Your child can now access the Arsenal Football Development E-Academy and begin their learning journey by using their username (under 13) or email address and their chosen password.

Linking Additional Children

If you have more than one child enrolled in the E-Academy, you can link additional children to your Parent Account.

1. Log in to your Parent Account.
2. Navigate to **My Profile**.
3. Select **Link Child/Junior**.
4. Enter the child's Date of Birth.
5. If the child is aged 13 or over, enter their email address.
6. Select Create Junior Account
7. Create or connect the child's Junior Arsenal Account by following the on-screen instructions.

Repeat these steps for each additional child you wish to link to your account.
