

Roman cross. In doing this, we can receive forgiveness of sins. Our old life will then be buried with him, giving us new life with the hope of an eternal future of true peace, love and joy, with freedom from pain and tears.

Why ignore such a great gift of salvation? If you do, your fate will be sealed for eternity in hell, which is a real place without God, and thus without love, to face only eternal consequences of punishment. We condemn ourselves to such a fate.

REPENT AND BELIEVE THE GOSPEL BEFORE IT'S TOO LATE!

Jesus loves you and asks that you repent and believe in him. It would be the best and safest decision of your life! If you commit your life to him, he will give you a new heart, you will be a new person inside. You will also gain a new desire for all that is right and true. And his Holy Spirit will give you an ability to discern the lies of the age we are living in.

'For God so loved the world, that he gave us his only son, that whosoever believes in him, will not perish, but have eternal life.'
(John 3:16)

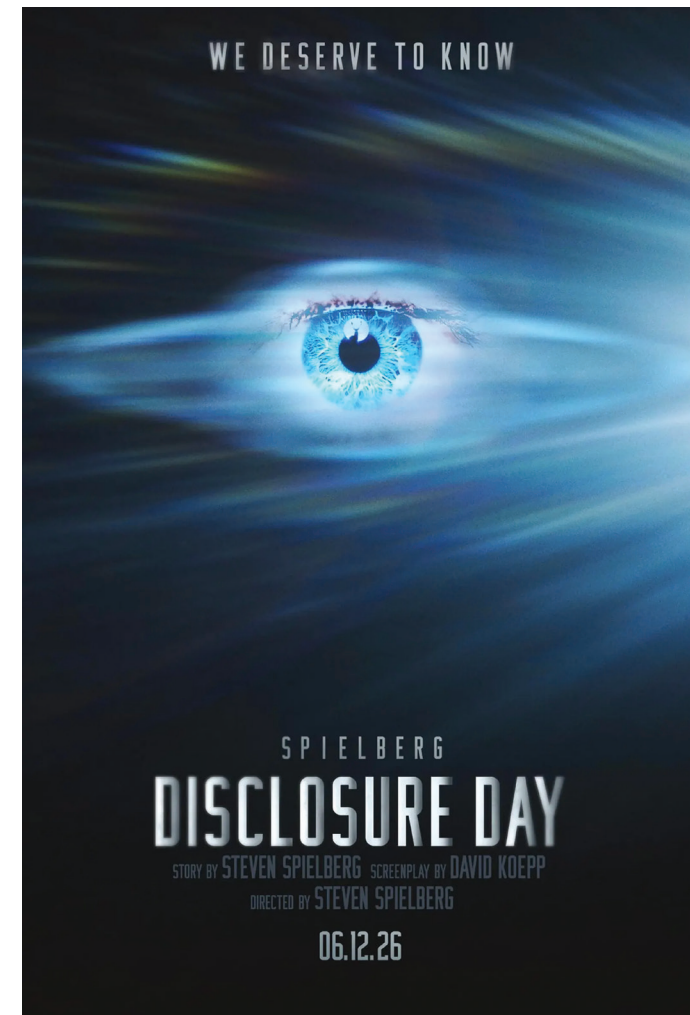

FINALLY, A RECOMMENDATION

All that is described in this leaflet has been open, in the light for millennia. On the other hand the theory of extra-terrestrial life has been hidden in darkness, awaiting 'Disclosure Day'. Which would you prefer to believe, the Word of God, or the word of Stephen Spielberg? I made my choice years ago, and have never regretted it!

If this message has spoken to you, just call upon Jesus in a short prayer. Confess to him that you are a sinner in need of salvation. Ask him in sincerity to forgive you and to fill you with his Holy Spirit. You will then become what the Bible describes as being 'born again'. (John 3 v 7)

Then you need to seek a Bible believing church where you can be baptised and become part of a group of believers who can help you get to know Jesus more and more fully.

"And you shall know the truth, and the truth shall make you free" (John 8 v 32)

THE CAPTION AT THE HEAD OF THE POSTER IMAGE FOR THE MOVIE 'DISCLOSURE DAY' BOLDLY DECLARES 'WE DESERVE TO KNOW'

Indeed, we do need to know the truth. But will we find it in Stephen Spielberg's new movie 'Disclosure Day'? Could it just as well be entitled 'DECEPTION DAY'?

In an interview with USA Today Spielberg says that evidence of non-human contact has become “overwhelming” to him. He has suggested that his film could raise significant theological questions for Christians. But will it?

For us Christians - No, not on our watch! The movie raises no questions for those who accept the proven accuracy of God’s Word, the Bible. The film, which is capturing the imagination of the public, only confirms exactly what scripture tells us about what are in fact extra-dimensional beings.

ALIENS OR FALLEN ANGELS?

God inhabits the heavenly realm along with a vast array of angels. Because Lucifer, a created angel, wanted to usurp God as ruler of the universe, he was expelled to another realm outside of our time and space, along with one third of the angels who rebelled with him. These fallen angels manifest themselves as demons who can appear on earth and disappear at will. Spiritual hosts of wickedness exist in heavenly places, wherever this realm is, it is not the place where God dwells.

ARE ALIENS BENEVOLENT?

In the movie, the ‘aliens’ are portrayed as friendly beings who want to help mankind

in a time of crisis. If the aliens are really demons, not visitors from outer space, this is a dangerous delusion. Whitley Strieber in his book ‘Communion’ writes on encountering ‘aliens’; ‘I felt an indescribable sense of menace. Whatever was there seemed so monstrously ugly, so filthy, so dark and sinister. Of course they were demons. They have to be.’ Many others have reported similar malevolent experiences.

During the movie, Daniel claims to have had an encounter with extra terrestrials during which he received a special gift of empathy, which is regarded by him as the ultimate superpower. However there is only One who completely understands our human frailty. We read this concerning Jesus:

‘For we do not have a high priest who is unable to empathise with our weaknesses, but we have one who has been tempted in every way, just as we are - yet he did not sin.’ (*Hebrews 4 v 15*).

Jesus said: “Come to me, all you who are weary and burdened, and I will give you rest.” (*Matthew 11 v 28*)

END TIMES DECEPTION

Before he was crucified, Jesus warned his disciples about these last days in which we are living. The first words he used in this

context were: “Watch no one deceives you. For many will come in my name saying, ‘I am the Christ,’ and will deceive many.” Deception was top of the list!

Later, the Apostle Paul wrote about these days: ‘The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved.’ (*2 Thessalonians 2 v 9*)

Have you received the love of the truth? Have you received Jesus who is the way, the truth and the life? If not, you are in great danger. Perilous times are here and they are only going to get worse as man turns more and more away from his maker. Things will only change when Jesus returns soon to establish his own Kingdom on earth, where justice and peace will rule.

JESUS, OUR ONLY HOPE!

The Bible says all human beings are sinners. The message of Jesus is simple; repent and believe the good news, that God wants humanity, his highest creation, to be re-established in relationship with him. His plan was simple: to give his life in unconditional love for every human being that has and ever will live, by shedding his blood on a
